OPPORTUNITY HIGHLIGHTS

The Holy Cross Medical Group (HCMG) has an excellent full time employment opportunity for a Board Certified or Board Eligible Breast Surgery physician to join the team located in Fort Lauderdale, Florida.

The physician will join a two-physician Breast Surgery team in partnership with the Medical and Radiation Oncology teams. This full time opportunity is 90% outpatient and 10% inpatient with a 1:2 call schedule alternating with the other Breast Surgeon.

The Breast Center at Holy Cross Hospital was the first breast center in Montgomery County to become certified by the National Accreditation Program for Breast Centers (NAPBC) and the American College of Surgeons. It also has been designated a Breast Imaging Center of Excellence by the American College of Radiology.

This is an exciting opportunity for the right Breast Surgery physician to be part of a well-established group.

RECRUITMENT PACKAGE

The Holy Cross Medical Group offers an excellent compensation and benefits package.
ABOUT THE FACILITY

Holy Cross Hospital (HCH), in Fort Lauderdale, Florida, is a full-service, non-profit Catholic hospital, sponsored by the Sisters of Mercy. Since opening its doors in 1955, the 559-bed hospital has offered progressive services and programs to meet the evolving healthcare needs of Broward County. Today, Holy Cross has more than 600 physicians on staff representing more than 40 specialties and more than 3,000 employees. The hospital is fully accredited by the independent Joint Commission, and its medical team has earned a reputation for excellence unsurpassed in the community.

Holy Cross Medical Group (HCMG), established in 1993, is a group of more than 150 of the top physicians in South Florida employed by Holy Cross Hospital. Together, they provide a wide array of services, in various specialties, to treat your entire family and have offices located throughout Broward and southern Palm Beach counties for your convenience. Our physicians come from some of the most prestigious medical schools across the country, such as Harvard Medical School, Duke University, Emory University, Georgetown University, Boston University and many other prestigious institutions. Their professional training has led them to the Holy Cross Medical Group and because of the knowledge they bring, we have been successful in clinically advanced research and procedures such as minimally invasive surgery, partial knee replacements, neuro-interventional radiology and many other areas.
