OPPORTUNITY HIGHLIGHTS
St. Peter's Health Partners and St. Peter's Hospital have an excellent full time employment opportunity for an experienced Nurse Practitioner to join a Cardiology practice located in Kingston, New York.

This Cardiology practice is dedicated to providing consultative, diagnostic, and preventive adult cardiology, as well as inpatient cardiac and critical care at a local hospital. Experienced clinicians are Board Certified in Internal Medicine and adult Cardiology, and all are fellows of the American College of Cardiology. Services provided include prevention and management of a vast array of adult cardiac problems, including coronary artery disease, high blood pressure, heart failure, hyperlipidemia, heart valve disease and arrhythmias. Providers perform all of the standard noninvasive testing onsite, including exercise testing, echocardiography, nuclear testing, 24-hour blood pressure monitoring, 24-hour and 30-day rhythm monitoring, heart failure analysis, and pacemaker and defibrillator analyses. Additional cardiac testing is performed at a local Hospital and includes transesophageal echocardiography, tilt testing, calcium scores, and 64-slice CT angiography. Invasive cardiac procedures are generally referred to associates at St. Peter’s Hospital in Albany.
The providers at Mid Valley Cardiology are involved in clinical research and teaching, and are proud to provide patients with the most up-to-date therapies and management strategies.

Candidates interested in this opportunity should possess excellent clinical skills, communication skills, and a strong commitment to providing excellent care that is team oriented. Additional requirements for this opportunity include:

- Board Certification as an Adult Nurse Practitioner.
- NYS Licensure
- DEA
- ACLS/BLS

Preference will be shown to candidates who have 2-5 years of Cardiology experience.

This is an exciting opportunity to join an established practice with strong patient demand. Enjoy excellent colleagues, strong system practice support, wonderful offices and facilities and a provider friendly environment.

ABOUT THE FACILITY

**St. Peter’s Health Partners Medical Associates, (SPHPMA)** is one of the Capital Region’s largest multi-specialty physician groups with more than 350 physicians and advanced practitioners, in more than 80 practice locations. SPHPMA is a full affiliate corporation of St. Peter’s Health Partners – the region’s largest and most comprehensive not-for-profit network of high quality, advanced medical care, primary care, rehabilitation and senior services. Our practices and staff are dedicated to bringing together the best possible care and experience for our patients through improved coordination of care among their primary care providers, specialists, hospital and other health care providers. We work with our patients and their loved ones to provide high-quality, compassionate care and advanced treatment options in a supportive, healing environment.

**St. Peter’s Health Partners**, the region’s largest private-sector employer, with more than 12,500 employees, has more than 125 locations across seven counties. The system has
an annual budget of nearly $1.1 billion. St. Peter’s Health Partners was created on October 1, 2011 by the merger of Northeast Health, St. Peter’s Health Care Services, and Seton Health. The merger created the region’s largest and most comprehensive not-for-profit network of high-quality and advanced medical care, primary care, rehabilitation, and senior services.

These state-of-the-art services and programs are provided through Albany Memorial and St. Peter’s Hospitals in Albany, NY; Samaritan and St. Mary’s Hospitals in Troy, NY; Sunnyview Rehabilitation Hospital in Schenectady, NY; and The Eddy system of continuing care and The Community Hospice.

**St. Peter’s Hospital** is the largest Catholic acute care community hospital in northeastern New York state. Located in Albany, New York, the hospital was founded in 1869 by the Religious Sisters of Mercy. A voluntary, not-for-profit community tertiary hospital, St. Peter’s provides 442 beds and has more than 900 staff physicians and nearly 6,000 employees.

The hospital offers a comprehensive range of inpatient and outpatient services and diverse outreach programs in the areas of medicine, surgery, ambulatory care, women’s and children services, neonatal intensive care, rehabilitation, outpatient medical imaging, and care for the elderly.

The facilities at St. Peter’s Hospital are among the nation’s most advanced clinical environments for care of patients with complex heart and vascular disease. St. Peter’s Hospital is the only hospital in New York state and the northeastern United States to earn designation from an independent ratings agency as a Top 100 Cardiovascular Hospital for 10 years. The hospital’s Hybrid Operating Room, a high-tech catheterization lab within a sterile operating environment, is only one of just a handful of such installations worldwide. The Cardiac & Vascular Center at St. Peter’s Hospital has also been named a Blue Distinction Center for Cardiac Care because of its consistent commitment to quality care, resulting in better overall outcomes for cardiac patients.
