CALL COVERAGE: 1:7 weeknights and weekends

OPPORTUNITY HIGHLIGHTS

Saint Alphonsus Medical Group (SAMG) has an excellent full time employment opportunity for a Board Certified or Board Eligible Invasive Cardiology physician who has an interest in Women's Heart Care to join The Saint Alphonsus Heart Institute located in Boise, Idaho.

SAMG is a physician led 480+ provider multispecialty group seeking an Invasive, Non-Interventional Cardiologist with a passion for, and commitment to women’s heart care to join a well-established, growing comprehensive Women’s Heart Care Program as part of a 15-provider practice at the Saint Alphonsus Heart Institute.

This role fills a growing niche within the Cardiology Service Line that addresses the specific needs of women related to their cardiology care. SAMG offers expertise in the unique manifestations of cardiovascular disease in women including microvascular disease, endothelial dysfunction, dysautonomia, stress cardiomyopathy, SCAD and cardio-oncology. Invasive coronary reactivity testing and invasive hemodynamic assessment for diastolic dysfunction is also provided. Utilizing a patient-centered approach to care, the team works closely with other specialists and primary care providers to optimize the patient's care and healthcare experience. Excellent bedside manner and clinical acumen are a must!

A vital component of SAMG, the Saint Alphonsus Heart Institute is a comprehensive cardiovascular center that has seen rapid growth in recent years. In response, the group has expanded services and supported programs to provide state of the art care including a
hybrid atrial fibrillation program, a structural heart program, a minimally invasive cardiac surgery program, a growing cardiovascular research program, an advanced EP lab with Stereotaxis robotics, and a women's heart care program.

Boise-based cardiologists participate with hospital administration in a co-management structure to manage the cardiovascular service line. SAMG, with primary and specialty care providers at 74 clinic locations, is also a member of the Saint Alphonsus Health Alliance, a network of over 1,800 employed and independent providers.

The schedule for this full time opportunity is a traditional workweek, Monday through Friday. The majority of the physicians practice is within Saint Alphonsus Regional Medical Center, with outreach clinics one to two times monthly and telemedicine is provided within network facilities. Call for this opportunity is shared equitably with eligible Department of Cardiology and Cardiac Surgery members (i.e., General and Electrophysiology Cardiologists) and is approximately 1:7 weeknights and weekends.

The selected physician will have completed a doctor of medicine (MD) or a doctor of osteopathy (DO) degree (MD/DO) and an ACGME or AOA accredited Internal Medicine residency and Cardiovascular disease fellowship program. They will possess, or be able to obtain within three years of employment, American Board of Internal Medicine (ABIM) or the American Osteopathic Board of Internal Medicine (AOBIM) with certification of special qualification (CSQ) in Cardiology. They must possess, or be eligible to obtain current, unrestricted licenses in Idaho and Oregon to practice medicine in all its phases; valid controlled substance registrations with the Idaho and Oregon Boards of Pharmacy and a DEA. The selected Cardiologist must secure appropriate hospital medical staff privileges to include left and right heart catheterizations, electrocardiograms, holter and echocardiogram interpretation, stress treadmill testing & supervision and stress echocardiography. Echocardiography Board Certification or testamur status from the ASE is encouraged. Nuclear cardiology skills are welcome but not required.

This is an exciting opportunity for the right Cardiology physician to join a growing team and be part of Saint Alphonsus Health System.

ABOUT THE FACILITY
Saint Alphonsus Regional Medical Center – Boise, Idaho, is a 387 bed regional medical center serving people throughout the Northwest and is the principal provider of advanced, innovative and interdisciplinary services. It is also the region’s only ACS verified Level II Trauma Center whose annual trauma volumes exceed 1,250 with over 400 patients with an ISS>16. Trauma is predominantly blunt in nature. There are a wide range of subspecialty services available 24/7, including strong trauma/surgical critical care, neurosurgical coverage, in-house interventional radiologists, vascular surgeons, cardiothoracic surgeons and fellowship trained intensivists and cardiologists.

As a not-for-profit medical center, Saint Alphonsus reinvests profits back into the community and works to improve the health and well-being of those we serve by emphasizing care that is patient-centered, innovative and community based. It focuses on providing services in a spiritual, healing environment; is renowned for its state-of-the-art digital environment and pioneering technologies including advanced imaging capabilities; and is known for its award-winning clinical services.

On January 15, 2013, HealthGrades® 11th annual Hospital Quality and Clinical Excellence Study again named Saint Alphonsus a Distinguished Hospital for Clinical Excellence™ for the third year in a row. Saint Alphonsus is the only hospital in Idaho to receive this recognition five times since the award originated in 2003 (2003, 2006, 2011, 2012 and 2013). This prestigious distinction places our medical center among the Top 5% of hospitals nationwide for clinical performance.

The medical center is part of Saint Alphonsus Health System, a growing four-hospital, 714-bed integrated healthcare system serving the full range of the health and wellness needs of the people in southwestern Idaho, eastern Oregon and northern Nevada. The system is comprised of Saint Alphonsus Regional Medical Center in Boise, Idaho, Saint Alphonsus Medical Center in Nampa, Idaho, Saint Alphonsus Medical Center in Ontario, Oregon and Saint Alphonsus Medical Center in Baker City, Oregon. Saint Alphonsus Health System is a member of Trinity Health, the second largest Catholic Health System in the nation. Trinity Health is based in Livonia, Michigan.

COMMUNITY DESCRIPTION

Boise, Idaho, is an economically vibrant and growing community. Boise is a mid-sized metropolitan area of approximately 640,000 people. A commercial center in the Northwest, Boise is an outdoor enthusiast’s paradise and a flourishing scene for arts, entertainment and collegiate and professional sports. Known as the “City of Trees,” Boise also offers a reasonable cost of living, low crime rate, excellent cultural programs, numerous neighborhood parks and nearby national forests and rivers. Idaho’s culture of physician independence also makes it one of the best places in America to be a practicing physician.

Several high-profile publications rank the Boise metro area as one of the best places in the country to do business and live.

♦ Outside Magazine recently said, “The winner for best overall town in the western U.S. is Boise, Idaho.”
Forbes recently ranked the Boise metro area 2nd for raising a family; particularly noting its low crime and high school quality, not to mention the chance to mix urban and outdoor lifestyles.

CNN/Money ranks the Boise metro area 3rd best place to retire and also named Idaho as the friendliest state for small businesses.

Medscape Medical News identifies Boise and Idaho as the Best City and State to practice medicine in the West & Northwest Region of the U.S.

For many, work life in Boise is characterized by diverse industries, like technology, government and financial services. Boise is headquarters for several major companies and manufacturing facilities. The corporate community includes Fortune 500 members: Hewlett Packard, Boise Cascade, Washington Group International and Micron Technology. Leading employers also include state government, universities, regional health centers and high tech companies.

When it comes to enjoyment, there are many ways to play in Boise. Situated where the high desert meets the western edge of the Rocky Mountains, Boise is the gateway to exceptional recreational opportunities including: world famous white-water rafting, Nordic and Alpine skiing, snowboarding, hunting, fishing, backpacking, hiking, biking, and camping. A charming downtown area delights residents with fine dining, theater, dance clubs and live music. Summer nights are spent taking in performances at the Idaho Shakespeare Festival or enjoying outdoor live concerts at the Idaho Center. A regional hub for jazz and theater, and home to The Boise Center which hosts numerous functions throughout the year, Boise is a delightful blend of traditional and non-traditional sights and attractions.

Boise frequently receives national recognition for its quality of life and business climate. Recent national rankings include: Best places for business and careers as well as Most Secure Place to Live (500,000 or more residents). Boise and the surrounding communities afford a quality of life second to none. Offering good jobs, affordable housing, a safe, clean and vibrant downtown, and with its vision of becoming the Most Livable City in the Country, the Boise area is a great place to live, work, and raise a family.
