OPPORTUNITY HIGHLIGHTS

Saint Alphonsus Medical Group (SAMG) has an excellent full time employment opportunity for a Board Certified or Board Eligible Electrophysiology Cardiology physician within a hospital-based practice located in Boise, Idaho.

Saint Alphonsus Medical Group (SAMG) is a physician led and accountable 480+ provider multispecialty group with an excellent opportunity for an Electrophysiologist (EP) to join two other EPs as part of a 16-member integrated cardiology group practice delivering regional care through the Saint Alphonsus Health System. The Saint Alphonsus Heart Institute is an outstanding comprehensive cardiovascular program with many differentiating services including an advanced EP lab with Stereotaxis robotics, an accredited Chest Pain center, a Joint Commission Certified Stroke Center, a Minimally Invasive Cardiac Surgery program, a CVOR that operated on over 400 patients last year, a growing CV Research program, Lipid Apheresis, and a Women’s Heart Care Program. Boise-based cardiologists participate with hospital administration in co-managing the cardiovascular service line.

The schedule for this opportunity is full time with traditional Monday through Friday clinic hours. Call is 1:8, shared equitably among EP and General Cardiology physicians. Cardiology physicians also visit outreach clinics one to two times monthly and provide telemedicine to affiliated network facilities.
The ideal candidate will possess a Doctor of Medicine (MD) or Doctor of Osteopathy (DO) degree, with successful completion of an ACGME or AOA accredited cardiovascular disease residency and clinical cardiac electrophysiology fellowship programs and Board Certification through the American Board of Internal Medicine (ABIM) in Cardiovascular Diseases or the American Osteopathic Board of Internal Medicine (AOBIM) with subspecialty certification in Clinical Cardiac Electrophysiology OR through the American Osteopathic Board of Internal Medicine (AOBIM) with certification of special qualification (CSQ) in Cardiology and certification of added qualification (CAQ) in Clinical Cardiac Electrophysiology - or obtain such certification within 3 years of employment. The candidate must possess or be eligible to possess current, unrestricted full licenses in Idaho and Oregon to practice medicine in all its phases, DEA and valid controlled substance registrations with Idaho and Oregon Boards of Pharmacy.

The selected candidate will be team oriented with a passion for EP-Cardiology and will possess an expertise in atrial fibrillation ablation and epicardial VT ablation. They must also have a strong clinical cardiac electrophysiology and cardiovascular disease background with excellent training. Preference will be shown to candidates who possess Stereotaxis robotic experience.

Support for the Electrophysiologists includes eight APPs; three Cardiothoracic Surgeons; two Vascular Surgeons; a Cardiac ICU; CVOR and CVICU; Level II Trauma Center and ED; 74 SAMG primary and specialty clinic locations and the Saint Alphonsus Health Alliance network of over 1,800 employed and independent providers.

This is an exciting opportunity for the right Electrophysiologist to join a growing team and be part of Saint Alphonsus Medical Group.

RECRUITMENT PACKAGE

An excellent compensation and benefits package is available for the right candidate including:

- Sign-on Incentives
- Student Loan Repayment
- Relocation
- PTO and CME Allocation
- Malpractice Insurance, including tail insurance
- Health/Dental/Vision
- Retirement (403b)

**COMMUNITY DESCRIPTION**

**Boise, Idaho,** is an economically vibrant and growing community. Boise is a mid-sized metropolitan area of approximately 640,000 people. A commercial center in the Northwest, Boise is an outdoor enthusiast’s paradise and a flourishing scene for arts, entertainment and collegiate and professional sports. Known as the “City of Trees,” Boise also offers a reasonable cost of living, low crime rate, excellent cultural programs, numerous neighborhood parks and nearby national forests and rivers. Idaho's culture of physician independence also makes it one of the best places in America to be a practicing physician.

Several high-profile publications rank the Boise metro area as one of the best places in the country to do business and live.

- *Outside Magazine* recently said, “The winner for best overall town in the western U.S. is Boise, Idaho.”
- *Forbes* recently ranked the Boise metro area 2nd for raising a family; particularly noting its low crime and high school quality, not to mention the chance to mix urban and outdoor lifestyles.
- *CNN/Money* ranks the Boise metro area 3rd best place to retire and also named Idaho as the friendliest state for small businesses.
Medscape Medical News identifies Boise and Idaho as the Best City and State to practice medicine in the West & Northwest Region of the U.S.

For many, work life in Boise is characterized by diverse industries, like technology, government and financial services. Boise is headquarters for several major companies and manufacturing facilities. The corporate community includes Fortune 500 members: Hewlett Packard, Boise Cascade, Washington Group International and Micron Technology. Leading employers also include state government, universities, regional health centers and high tech companies.

When it comes to enjoyment, there are many ways to play in Boise. Situated where the high desert meets the western edge of the Rocky Mountains, Boise is the gateway to exceptional recreational opportunities including: world famous white-water rafting, Nordic and Alpine skiing, snowboarding, hunting, fishing, backpacking, hiking, biking, and camping. A charming downtown area delights residents with fine dining, theater, dance clubs and live music. Summer nights are spent taking in performances at the Idaho Shakespeare Festival or enjoying outdoor live concerts at the Idaho Center. A regional hub for jazz and theater, and home to The Boise Center which hosts numerous functions throughout the year, Boise is a delightful blend of traditional and non-traditional sights and attractions.

Boise frequently receives national recognition for its quality of life and business climate. Recent national rankings include: Best places for business and careers as well as Most Secure Place to Live (500,000 or more residents). Boise and the surrounding communities afford a quality of life second to none. Offering good jobs, affordable housing, a safe, clean and vibrant downtown, and with its vision of becoming the Most Livable City in the Country, the Boise area is a great place to live, work, and raise a family.
