OPPORTUNITY HIGHLIGHTS

IHA has an exciting full time employment opportunity for a Dermatology physician interested in a combined Clinical and Medical Director role for Dermatologic Services with a multi-specialty group located in southeast Michigan.

IHA Dermatology has been in existence for over 5 years. During that time, the practice has expanded at a rapid rate to meet the demands of patients, organization and community, including adding multiple locations, well-trained staff, and outstanding physicians. The group has consistently provided high quality, patient-centered care within a provider group that has extensive experience in medical and surgical dermatology. In addition, IHA has a highly skilled, fellowship-trained Mohs surgeon on staff, as well as a very well-respected dermatopathology group, with whom our dermatologists work closely. Being part of a multispecialty group offers outstanding options for consulting with Rheumatology, Surgery, Oncology and other specialties that patients may need.

As IHA looks to expand into a fully integrated regional healthcare system with a quickly growing patient base and geographic reach, we recognize that dermatology is an important focus of accelerated expansion for the Medical Specialty Division. Consequently, the team is excited to search for a Medical Director for Dermatology who will oversee the rapid growth of IHA Dermatology in current and future locations to meet the needs of the organization. This person will take a regional approach to the growth of IHA Dermatology
that will match the rapid growth of the organization and allow ready access to dermatologic care.

As such, IHA is seeking a Board Certified Dermatologist to join the established Dermatology group. This opportunity includes a 0.2 FTE Medical Director role and a clinical role for the remaining 0.8 FTE. The chosen candidate will provide leadership for the further growth and development of the Dermatology practice while serving as a key clinical member of the practice.

**Additional responsibilities**

- Serve as liaison between IHA and Hospital Leadership to support dermatologic programs.
- Evaluates potential opportunities to grow both the academic and research mission of the group.
- Participate and help to lead initiatives to increase the visibility and success of the dermatology program.
- Oversee the clinical quality of dermatologic care within IHA while also evaluating new areas of service, such as cosmetic dermatology.
- Work collaboratively with primary care to establish novel models of care, such as tele-dermatology
- Work with the team to develop a patient centered program that meets, if not exceeds, patient’s and caregiver’s expectations.
- Establish communication standards and processes that facilitate team-based care with referring physicians.

This is an exciting opportunity for the right Dermatologist to provide leadership within a well-established multi-specialty group.

**RECRUITMENT PACKAGE**

An excellent compensation and benefits package is available for the right candidate including:

- Competitive base rate and compensation plan
- Medical, Dental, and Vision Insurance
- Retirement Benefits; 403b, 457
- Public Service Loan Forgiveness
- Short and Long Term Disability
- Profession Malpractice Coverage with Tail Coverage
- Real estate ownership opportunity

**ABOUT THE FACILITY**

IHA is one of the best and largest multi-specialty groups in Michigan. IHA employs more than 1,600 staff members, which includes more than 800 providers consisting of: physicians, nurse practitioners, physician assistants and midwives in approximately 70
practice locations across southeast Michigan, including 36 Specialties. IHA provides high-quality medical care and excellent service to nearly 485,000 active patients.

Recognized as Metro Detroit’s Top Physician Group by Consumer Reports magazine, IHA also ranks in the top quartile for patient satisfaction nationally. Offering extended office hours and urgent care services, along with online patient diagnosis, treatment and appointment access tools. IHA demonstrates that it cares by bringing safe, high-quality, comprehensive and affordable care to its patients. For more information about IHA, visit www.ihacares.com.
