OPPORTUNITY HIGHLIGHTS

Saint Alphonsus Medical Group and Saint Alphonsus Medical Center – Nampa have an excellent full-time employment opportunity for a Family Medicine physician to join a robust clinic-based practice located in Nampa, Idaho.

Saint Alphonsus Medical Group (SAMG) is a physician led and accountable 450+ provider multispecialty group practice that has an excellent opportunity for a Family Medicine physician (MD/DO). This practice is dedicated to providing services for a full spectrum of family practice patients and is conveniently located in close proximity to Saint Alphonsus Medical Center - Nampa. The clinic recently moved to a brand new, state-of-the-art 16,000 square foot facility with on-site imaging. This large clinic currently has eight Family Medicine Providers, three Pediatricians, two Urgent Care Providers, and one Occupational Medicine Provider on staff.

The full-time schedule for this opportunity is a traditional clinic work week Monday through Friday, with no less than 34 hours of scheduled patient contact time. Practice call is shared with other eligible members in the SAMG Department of Family Medicine and is currently 1:16.

The opportunity offers the provider the option to practice Obstetrics if desired.

Support for the clinic includes 24/7 Anesthesia and Emergency Department and hospital system resources.
Requirements for this opportunity include an individual with a doctor of medicine (MD) or a doctor of osteopathy (DO) degree (MD/DO); successful completion of accredited ACGME/AOA Family Medicine residency; current, unrestricted full license in Idaho to practice medicine in all its phases; valid controlled substance registration with the Idaho Board of Pharmacy and DEA; Board Certification in Family Medicine through the American Board of Internal Medicine (ABFM) or American Osteopathic Board of Family Physicians (AOBFP) (or obtain such certifications within 3 years of employment/contract start).

This is a great opportunity for a Family Medicine physician to join a growing medical group.
