OPPORTUNITY HIGHLIGHTS

Holy Cross Health Network and Holy Cross Health have an excellent employment opportunity for an experienced Family Medicine, Internal Medicine or Med-Peds physician to join an established practice that provides primary medical care in a culturally competent manner to a medically underserved, low income, uninsured patient population located in Gaithersburg, Maryland.

The selected Board Certified or Board Eligible physician will be responsible for managing the diagnosis and efficient and effective treatment of Health Center patients to include a therapeutic health service that focuses on health restoration, health maintenance and disease prevention. The physician will be responsible for participating in the Center’s Quality Performance Improvement program and will advise management on clinical matters and the results of any external audits, clinical quality problems and the progress of quality improvement efforts. The physician will also maintain compliance with Federal, State, and Local health care regulations as well as the Joint Commission standards.

Physicians in the practice provide patient exams and consultations striving to reach ten patient visits per four hour session. The schedule may include evening hours as after-hours coverage will be maintained as appropriate.
The selected provider will possess three years clinical experience in acute care setting, preferably within a community health center serving culturally diverse and underserved patient populations as well as a minimum of two years of supervisory experience. The selected provider will also have experience in the development and management of quality, risk, and utilization review processes with demonstrated leadership, communication, and analytical skills. Preference will be shown to candidates who are bilingual.

This is an exciting opportunity for a Family Medicine, Internal Medicine or Med-Peds physician to join Holy Cross Health.

**ABOUT THE FACILITY**

**Holy Cross Health Network** is dedicated to creating access to top-quality health care for all of the people in our community. We're providing area residents with affordable medical care in four neighborhood centers and two primary care sites, and forging partnerships with providers, community health organizations and insurers to help area men and women live healthier lives.

**Holy Cross Health** is a Catholic, not-for-profit health system that serves more than 240,000 individuals each year from Maryland's two largest counties - Montgomery and Prince George's counties. Our community is vibrant, active and diverse, where life is always moving. Holy Cross Health is continuously advancing, too, as a forward-thinking health system committed to helping our community members address their individual needs and goals to achieve a better quality of life. From hospitals and primary care sites, to specialty care and wellness programs, Holy Cross Health is accessible throughout the region to meet individuals on their path to good health.

Holy Cross Health has been a steward of our diverse community's health for more than 50 years, earning the trust of area residents. Our team of more than 4,100 employees, 1,575 community-based physicians and 425 volunteers works proactively each day to meet the needs of every individual we touch. And our mission and values mean that we uphold this commitment for every person, without regard for ability to pay. During the last five fiscal years, Holy Cross Health has provided more than $295 million in community benefit, including more than $169 million in financial assistance.

Holy Cross Health is a member of Trinity Health, one of the largest Catholic health care organizations in the United States. Trinity Health is based in Livonia, Michigan.
