OPPORTUNITY HIGHLIGHTS

Mercy Physician Network has an excellent full-time employment opportunity for a Gastroenterology physician to join a multi-specialty network located in Philadelphia, Pennsylvania.

Mercy Physician Network (MPN) is seeking a Board Certified or Board Eligible Gastroenterology physician interested in becoming part of a large physician network. The selected provider will join a group of six physicians and two Physician Assistants who cover multiple rotational service locations and focus primarily at Mercy Fitzgerald Hospital. The clinic office is adjacent to the hospital with opportunities for outreach sessions at satellite locations. Opportunities for teaching and research are also available if desired.

The selected candidate can expect to have one to two procedure days per week. Procedures may include upper GI procedures such as Esophagogastroduodenoscopy (EGD) and endoscopic retrograde cholangiopancreatography (ERCP) along with Lower GI procedures such as colonoscopy. Additional procedures include percutaneous endoscopic gastrostomy (PEG).

This is an exciting opportunity for a Gastroenterology physician to be part of a well-established network.
RECRUITMENT PACKAGE

Mercy Physician Network offers a competitive salary and compensation package based on training and clinical experience including:

- Malpractice coverage
- Paid vacation and CME
- Health and dental insurance
- 403(b) plan

FACILITY DESCRIPTION

Mercy Physician Network (MPN) is located across the greater Philadelphia region and offers our community access to high-quality care delivered with compassion and respect. MPN comprises primary care practices in addition to nearly 20 specialties and subspecialties to best serve our communities with a healthcare team that works for you.

Patients rate their experience at our practices using a confidential survey administered by a third party to determine what percentage of our patients would recommend our providers. At the end of 2018, 91.7 percent of patients said they would recommend their MPN provider.

With over 70 physicians, most of which are board-certified in their fields, have the knowledge and expertise to deal with a multitude of health-related issues in a coordinated fashion.

Mercy Fitzgerald Hospital located in Darby, PA is a 188-bed acute care community teaching hospital that has been serving a large number of economically fragile neighborhoods in Delaware County and Southwest Philadelphia for 85 years.
