SPECIALTY Gynecology/ Oncology – Medical Director
HOSPITAL Mercy Health Physician Partners
LOCATION Grand Rapids, Michigan
GROUP PRACTICE Multi-Specialty
PRACTICE MODEL Employment
STATUS Full Time
REQUIREMENTS Board Certified or Board Eligible
CALL COVERAGE TBD

OPPORTUNITY HIGHLIGHTS
Mercy Health Physician Partners has an excellent Medical Director role for a Fellowship trained, Board Certified or Board Eligible Gynecologic Oncology physician to join a busy, employed practice within a freestanding cancer hospital located in Grand Rapids, Michigan.

The Medical Director has the opportunity to put their signature on a robust gynecologic oncology program with patient experience scores consistently 95+. The practice is affiliated with several residencies and Michigan State University Medical School with an academic appointment available, if desired. Research opportunities are plentiful at local VanAndel Institute (VAI). VAI has a large number of basic scientists interested in translational research as well as a dedicated Gyn/Onc basic scientist; GOG participation through NCORP with large clinical volume, patient volume and infrastructure sufficient for affiliate status.

The practice provides excellent quality of care with a clinical support team including APPs, RN's, Social Workers and MA’s. Superb ancillary services such as pathology, radiation oncology, surgical oncology, and interventional radiology are available along with a robust robotics program with two robots and the capability of performing six robotic cases daily.

This is an excellent opportunity for the right Gynecologic Oncologist to lead a program in a family friendly environment within an elite organization that is supportive of personal growth.
RECRUITMENT PACKAGE

COMMUNITY DESCRIPTION

Grand Rapids, Michigan, known for its unique combination of urban sophistication and small-town warmth, Grand Rapids is located in Western Michigan on the banks of the legendary Grand River. Incorporated in 1839, today the community is rated among the top cities in the U.S., combining family-friendliness with safety, cleanliness, and an uncommon commitment to enterprise. Businesses tend to thrive because of the region’s famous work ethic and a historical commitment to the value of innovation.

Located just minutes away from the splendor of Lake Michigan beaches and dozens of quaint lakeshore towns and villages, Grand Rapids has developed a regional reputation for major artistic and cultural events, a full calendar of stage plays and concerts, outstanding museums, and a world-class botanical garden and sculpture park.

Greater Grand Rapids is Michigan’s fastest growing region. A growing economy, outstanding health care, low cost of living, award-winning schools and diverse cultural
options are just a few reasons why Grand Rapids is a great place to live. The region is home to people of nearly every race, creed, color, religion and national origin – the public school students alone represent more than 40 languages and 53 countries.

Conveniently located between Detroit and Chicago near Michigan’s western shoreline, Grand Rapids is a center for manufacturing excellence, life science discovery, and technological innovation. The region is now the center of one of the largest investment in life sciences in the country. More than $1 billion has been invested in research and patient care – propelling Greater Grand Rapids onto the elite list of America’s top sustainable, knowledge-based economies.
