OPPORTUNITY HIGHLIGHTS

Saint Alphonsus Medical Group (SAMG) has an excellent opportunity for an Internal Medicine physician to join a vibrant and growing multispecialty group practice located in southwest Nampa, Idaho.

SAMG is a physician-led and accountable 425+ provider multispecialty group practice. The group seeks internists who are committed to an interdisciplinary team-based approach to care and who provide high-quality primary care in a compassionate manner, healing body, mind and spirit.

The schedule for this opportunity is a traditional clinic work week, Monday through Friday. Call is shared with other eligible members in the SAMG Department of Medicine.

For interested candidates, opportunities are available for:
- Supervision of one or more nurse practitioners
- Provision of house calls
- Collaboration with a clinic-based pharmacist and social worker
- Contractual incentives that reward quality of care and patient outcomes.
- Participation in teaching health care professionals
- Participation in community-based educational sessions for groups of patients and families
• Daily collegial interactions with a dozen other similarly oriented health care professionals.

The affiliated hospital, Saint Alphonsus Regional Medical Center (SARMC), operates a 24-7 adult medicine hospitalist service. The adult medicine hospitalists are the primary admitting service for the vast majority of primary care providers in the Saint Alphonsus network.

Requirements for this opportunity a doctor of medicine (MD) or a doctor of osteopathy (DO) degree; successful completion of an accredited internal medicine residency program; current, unrestricted license in Idaho to practice medicine in all its phases; valid controlled substance registration with Idaho Board of Pharmacy and DEA; board certification through the American Board of Internal Medicine (ABIM) or the American Osteopathic Board of Internal Medicine (AOBIM) (or obtain such certification within 3 years of employment).

Candidates who have experience in outpatient settings; training, experience and/or certification in geriatrics will be shown preference in the selection process.

SAMG currently utilizes Athena Outpatient EMR; therefore experience with Electronic Medical Records is preferred.

Saint Alphonsus Health System (SAHS) Values, Mission and Vision

We support this mission by living our core values of Reverence, Commitment to Those Who are Poor, Justice, Stewardship, and Integrity. We at SAHS serve together in the spirit of the Gospel as a compassionate and transforming healing presence within our communities.

Unified by our faith-based mission, SAHS will:
• Provide healing and hope, close to home
• Help our communities grow and thrive
• Be a trusted partner for life
• Deliver value in everything we do

Saint Alphonsus Health System Guiding Behaviors

As a Catholic Health Care Services provider, Saint Alphonsus has a cultural expectation that all providers deliver care in accordance with the USCCB Ethical and Religious Directives for Catholic Health Care Services.

Saint Alphonsus greatly values the input and leadership of our providers and encourages each provider to actively participate in department meetings, SAMG Leadership Council and in matters of practice/service line development.

As continuous learners, we also encourage and promote ongoing continuing medical education (CME) activities for our providers and will financially support your CME endeavors. Additionally, as part of our shared vision to become a trusted health partner for life, we strive to continuously increase patient satisfaction and loyalty.
This is an exciting opportunity for the right Internal Medicine physician to be part of the Saint Alphonsus Health System.

RECRUITMENT PACKAGE
