OPPORTUNITY HIGHLIGHTS

Trinity Health Mid-Atlantic Medical Groups and St. Mary Medical Center have an excellent opportunity for a Board Certified or Board Eligible Internal Medicine physician to precept Internal Medicine residents in Bucks County, Pennsylvania.

The selected candidate will work in the outpatient setting precepting Internal Medicine residents and supervising them with their panel of patients.

The candidate will have the following responsibilities:

- Ensure the clinic meets all requirements for maintaining ACGME accreditation, assuring that residents receive strong training in outpatient medicine.
- Oversee, develop and ensure the quality of didactic and clinical education in the outpatient healthcare center.
- Work with the Internal Medicine Program Director, Office Manager and/or DIO in providing clinical, operational, patient experience, and staff experience goals of the healthcare center.
- Maintain an individual panel of patients at the Healthcare Center as appropriate.
• Work with Office Manager to provide residents with performance data on chronic disease management and preventative healthcare. Oversee resident-developed action plans for addressing quality care gaps.

• Instruct residents in and monitor appropriate use of Evaluation and Management Documentation as per CMS guidelines.

• Provide each resident with timely feedback and evaluation.

• Oversee quality improvement projects in the healthcare center.

• Develop system to provide coverage of urgent problems experienced by patients on the panel of a resident who is not readily available.

The selected candidate preferably will be privileged in and provide oversight for outpatient procedures required by the American Board of Internal Medicine and/or Internal Medicine residency program (i.e. venipuncture, PAP/endocervical culture).

This is an exciting opportunity for the right Internal Medicine physician to be part of a well-established group.
