SPECIALTY: Internal Medicine – Quality Director
HOSPITAL: St. Joe’s Medical Group
LOCATION: Livonia, Michigan
GROUP PRACTICE: Yes
PRACTICE MODEL: Employment
STATUS: Full Time
REQUIREMENTS: Board Certified or Board Eligible
CALL COVERAGE: TBD

OPPORTUNITY HIGHLIGHTS

St. Joe’s Medical Group (SJMG) has an excellent full time employment opportunity for a Board Certified Internal Medicine physician to actively participate in establishing patient care system processes and to work with others as part of a team in problem solving within a multi-specialty group located in Livonia, Michigan.

The selected candidate will be employed for 0.5 FTE as a Quality Director and 0.5 FTE as a clinical provider in an outpatient environment. The opportunity to round within the hospital may be available, if preferred. Clinical expectations for the selected physician include providing compassionate and respectful care while efficiently utilizing resources during clinical service to new and established patients in the practice, hospital and other patient care settings.

As the Quality Director the selected physician will be responsible for the following:

- Serve as a liaison to the Clinically Integrated Network (CIN) for issues related to ambulatory care.
- Support the Executive Director and the Medical Director of Ambulatory Services to develop an annual operating plan with metrics for quality, safety and service that is integrated with activity and financial metrics by physician, clinical practice and site.
- Develop team processes to improve measurable quality, safety and patient flow metrics across the continuum of care.
• Take a lead role in quality efforts for implementation of EHR technologies, including installation and maintenance of data in the population health registry.
• Participate in developing short and long term business and capital (3 year) plans consistent with the St. Mary Mercy Health strategic plans, especially as required for EHR implementation and quality, safety, and service.
• Develop an annual physician evaluation model for quality, safety, and service in ambulatory care
• Develop physician leaders as it relates to quality, safety, and service.

Candidates must have 3-5 years of experience as a Quality Director with knowledge of MACRA, MIPS and value based care. Preference will be shown to candidates with ACO or CIN experience.

This is an excellent opportunity to join an expanding medical group within St. Joseph Mercy Health System.

RECRUITMENT PACKAGE

A competitive compensation package for exceptional physicians is being offered including:
• Health/vision/dental Insurance
• Malpractice
• CME allowance & time off
• Retirement savings programs.
• Relocation assistance

COMMUNITY DESCRIPTION

Livonia, Michigan - With a population of nearly 100,000, Livonia is Michigan’s eighth-largest city and one of the most-stable family communities in the United States. Livonia is located in the northwest corner of Wayne County, halfway between Detroit and Ann Arbor. For decades, Livonia has ranked as one of the leading large communities for family services, education, public safety, and recreational opportunities.
Livonia is a smartly planned community where tree-lined neighborhoods are separated from industrial and warehouse sections of the city. These are among the many attributes that make Livonia one of the best places in the country to raise a family. If you want to live in Livonia, be prepared to become actively involved in your child’s education. The Livonia Public Schools are successful because as one of the ten largest school districts in Michigan they are able to offer a broad range of high-quality learning opportunities combined with outstanding parental support to provide each child an education that fits their needs.

Livonia offers a rich blend of cultural, entertainment, and family-friendly offerings. From a professional symphony orchestra to historic community venues to one of metro Detroit’s largest suburban fireworks displays, Livonia is a city that provides arts and cultural opportunities for a wide variety of interests. The city has three public libraries with many programs for children and adults. Each summer, the Livonia Civic Center and other city parks are home to outdoor, family concerts featuring various musical acts as part of the weekly “Music Under the Stars” series.

Livonia is home to several community service organizations which produce a number of successful family and fundraising events, such as the American Cancer Society’s Relay for Life and Livonia Rotary Club’s Family Picnic.
