OPPORTUNITY HIGHLIGHTS
St. Joseph Mercy Ann Arbor and Mercy Christian Health have an exciting opportunity for a Family Medicine, Med-Peds or Pediatric physician to lead a mission based Private Practice located in Ypsilanti, Michigan.

The selected provider will act as Medical Director and will provide primary care services in an outpatient setting for patients of this non-profit primary care practice for the underserved. The provider must demonstrate expertise in family oriented, comprehensive, patient-centered care and possess excellent teaching and communication skills as well as the ability to work in a multi-cultural setting. The Medical Director will serve as a spiritual leader in the organization, actively pursuing the mission of Mercy Christian Health to show and share the love and mercy of Jesus Christ by providing compassionate, affordable and excellent healthcare to the community. Additional responsibilities include the oversight of administration within the practice; such as setting policies and protocols, supervising mid-level providers, and assuring quality care.

This is an excellent opportunity for a Primary Care provider to lead a newly developed primary care non-profit practice.
RECRUITMENT PACKAGE

An excellent compensation and benefits package is available for the right candidate.

ABOUT THE FACILITY

Mercy Christian Health is a new faith-based interdenominational charitable non-profit organization that will provide healthcare services starting in late 2017 or early 2018. The mission of Mercy Christian Health is to show and share the love and mercy of Jesus Christ by providing compassionate, affordable and excellent healthcare to our community. Mercy Christian Health will demonstrate Jesus’s compassion and God’s love by welcoming and respecting each individual. The practice will espouse a holistic approach to patients, believing in the importance of mind, body, and spirit to an individual’s health.

Mercy Christian Health will offer primary healthcare services for people of all ages. This includes preventive care, care for chronic diseases, and same-day or next-day visits for illnesses and minor injuries. Behavioral health services will also be available on site, helping patients and their families to address stress, anxiety, depression, and school or family troubles. Counselors will also help patients to make lifestyle changes to improve health needs such as obesity and diabetes.
