OPPORTUNITY HIGHLIGHTS

Trinity Health Of New England Medical Group is seeking a licensed Nurse Practitioner or Physician Assistant to join an Adult Medicine primary care team in Springfield, Massachusetts.

This is an excellent opportunity to join an established group of five physicians and four advanced practitioners in a rapidly growing adult medicine department. In this full time outpatient role, you will practice within modern facilities in a collaborative team environment where all providers are connected through Epic-a fully-integrated EMR system. You’ll have the resources needed to provide exceptional care on site, including labs, radiology services, medical specialists and a hypertension clinic.

The successful candidate should be licensed to practice in Massachusetts and be a team player with an interest in providing full-spectrum care for adult patients.

As part of Trinity Health Of New England - the region’s largest nonprofit health system - you’ll experience a culture of provider collaboration. Our practice model empowers physicians to work at their highest level, while allowing time for professional development.
and family life. If you are focused on providing outstanding patient-centered care, you will thrive within the Trinity Health Of New England Medical Group.

RECRUITMENT PACKAGE

Trinity Health Of New England Medical Group offers a competitive compensation and benefits plan.

ABOUT THE FACILITY

Trinity Health Of New England Medical Group is the driving force behind Trinity Health of New England - the region’s largest nonprofit health system. From Springfield, Massachusetts down through Connecticut, our inspired care team of more than 740 providers working together is united by a shared commitment to help patients achieve optimal health. With 95 integrated practice locations, we represent the full breadth of medical, surgical and primary care specialties delivering exceptional care to patients in communities throughout Trinity Health Of New England’s expansive service area.

Mercy Medical Center is a 251-bed, acute care medical surgical hospital located in Springfield, Massachusetts and is part of Trinity Health Of New England, the region's largest health system. Providing a wide range of inpatient and ambulatory care services, Mercy Medical Center gives patients big-city medical expertise in an intimate, hometown setting. In fact, in 2016, Mercy Medical Center’s Care Connect initiative received a first-place Accountable Care Compass Award from the Massachusetts Hospital Association. This patient-centered care delivery model focuses on transitions in care, quality and service improvement as well as hospital and facility-wide coordination, which results in shorter lengths of stay. Mercy has a long-standing commitment to delivering the safest, highest-quality health care.

Trinity Health Of New England is just beginning its story. Formed in 2015, the regional ministry's roots date back more than 100 years. The region’s largest and most comprehensive not-for-profit Catholic health system is a strategic partnership that includes Saint Francis Hospital and Medical Center and Mount Sinai Rehabilitation Hospital in Hartford, Connecticut; Johnson Memorial Hospital in Stafford Springs, Connecticut; Saint Mary’s Hospital in Waterbury, Connecticut; and Mercy Medical Center in Springfield, Massachusetts.

Trinity Health Of New England serves a population of 3 million people with a singular patient focus: providing the best possible care, for the best possible outcomes. Focused on provider collaboration and rapidly growing, there are over 13,000 physicians, advanced practitioners and caregivers who, like you, put their patients above all else. This duality of progressive caregiving, combined with a deep commitment to meeting the needs of the most underserved in our communities, is a formula that resonates deeply with the legacies of our clinical partners in this region.

Trinity Health Of New England’s collaborative practice model empowers physicians to work at their highest level—and allows time for professional development and family life.
Whether focused on providing outstanding patient-centered care, teaching the next
generation of care providers or growing into a leadership role, it’s time to join Trinity Health Of New England.

As a member of Trinity Health, based in Livonia, Michigan, one of the nation’s largest
multi-institutional Catholic health care delivery systems, Trinity Health Of New England is
uniquely positioned to advance health care through alliances with the University of
Connecticut School of Medicine, the Frank H. Netter MD School of Medicine at Quinnipiac
University, and through its own research institutions dedicated to the development of
primary care, new treatments for cancer and MS, and much more.

COMMUNITY DESCRIPTION
