OPPORTUNITY HIGHLIGHTS

Trinity Health Of New England Medical Group has an excellent opportunity for an experienced licensed and certified Nurse Practitioner or Physician Assistant to join an established Family Medicine practice located Somers, Connecticut.

In this full time employment opportunity, you will join a tight-knit Family Medicine practice alongside a dedicated support staff and a Board Certified Family Medicine physician. This opportunity will allow you to build lasting relationships with appreciative patients who have relied on the practice’s care for the past 15 years. Providers in this practice provide a full spectrum of primary care services for patients ranging from newborn to 103 years old. This outpatient practice has developed strong relationships with community specialists and, as part of the greater Trinity Health Of New England system, can easily connect patients to world-class specialty services within a vast network through an integrated electronic health records system.

In this role, you will enjoy a set Monday through Friday schedule with no call requirements while you experience rewarding opportunities to heal patients at every point in their lives.

The successful candidate should be licensed in Connecticut with at least two years of experience, preferably in a Family Medicine environment. The team is seeking a dedicated
clinician with a passion for treating patients of all ages, a positive attitude and a friendly demeanor that reflects the values of our practice.

As part of Trinity Health Of New England - the region’s largest nonprofit health system - you’ll experience a culture of provider collaboration. Our practice model empowers providers to work at their highest level, while allowing time for professional development and family life. If you are focused on providing outstanding patient-centered care, you will thrive within the Trinity Health Of New England Medical Group.

RECRUITMENT PACKAGE

Trinity Health Of New England Medical Group offers a competitive compensation and benefits plan.

ABOUT THE FACILITY

Trinity Health Of New England Medical Group is the driving force behind Trinity Health of New England—the region’s largest nonprofit health system. From Springfield, Massachusetts down through Connecticut, our inspired care team of more than 740 providers working together is united by a shared commitment to help patients achieve optimal health. With 95 integrated practice locations, we represent the full breadth of medical, surgical and primary care specialties delivering exceptional care to patients in communities throughout Trinity Health Of New England’s expansive service area.

Trinity Health Of New England is just beginning its story. Formed in 2015, the regional ministry’s roots date back more than 100 years. The region’s largest and most comprehensive not-for-profit Catholic health system is a strategic partnership that includes Saint Francis Hospital and Medical Center and Mount Sinai Rehabilitation Hospital in Hartford, Connecticut; Johnson Memorial Hospital in Stafford Springs, Connecticut; Saint Mary’s Hospital in Waterbury, Connecticut; and Mercy Medical Center in Springfield, Massachusetts.

Trinity Health Of New England serves a population of 3 million people with a singular patient focus: providing the best possible care, for the best possible outcomes. Focused on provider collaboration and rapidly growing, there are over 13,000 physicians, advanced practitioners and caregivers who, like you, put their patients above all else. This duality of progressive caregiving, combined with a deep commitment to meeting the needs of the most underserved in our communities, is a formula that resonates deeply with the legacies of our clinical partners in this region.

Trinity Health Of New England’s collaborative practice model empowers physicians to work at their highest level—and allows time for professional development and family life. Whether focused on providing outstanding patient-centered care, teaching the next generation of care providers or growing into a leadership role, it’s time to join Trinity Health Of New England.
As a member of Trinity Health, based in Livonia, Michigan, one of the nation’s largest multi-institutional Catholic health care delivery systems, Trinity Health Of New England is uniquely positioned to advance health care through alliances with the University of Connecticut School of Medicine, the Frank H. Netter MD School of Medicine at Quinnipiac University, and through its own research institutions dedicated to the development of primary care, new treatments for cancer and MS, and much more.
