About the facility

Mercy Medical Center-Sioux City is a mission-guided hospital, committed to providing superior quality and service and to caring for all those in need. Mercy—Sioux City provides a full continuum of wellness, primary, acute and tertiary services, serving a 33-county area of Iowa, Nebraska and South Dakota.

Mercy Medical Center-Sioux City has received national recognition for its leadership in providing quality care to cardiac, orthopedic, vascular, stroke and oncology patients. Mercy-Sioux City also has the only Level II Trauma Center in Western Iowa, and provides a vital, lifesaving link to rural areas via Mercy Air Care, the hospital's helicopter ambulance service.

Mercy has earned more national recognition for quality patient outcomes than any other hospital in the region. The medical center has earned multiple honors for its leadership and excellence in several clinical areas including cardiac care, orthopedic services, vascular surgery, stroke care and cancer care.

In addition to the 287-staffed bed medical center, Mercy Medical Center-Sioux City owns rural hospitals in Primghar, Iowa, and Oakland, Nebraska, and operates a primary care clinic network, specialty care clinics and home health services. It also partners with other community healthcare providers to sponsor a regional cancer center, paramedic services, hospice services, a freestanding surgery center and a variety of other health services. Mercy-Sioux City also manages community hospitals in Hawarden, Iowa, and Pender, Nebraska, several rural primary care clinics and a long-term care facility.
