ABOUT THE FACILITY

Trinity Health Of New England Medical Group is the driving force behind Trinity Health of New England—the region’s largest nonprofit health system. From Springfield, Massachusetts down through Connecticut, our inspired care team of more than 740 providers working together is united by a shared commitment to help patients achieve optimal health. With 95 integrated practice locations, we represent the full breadth of medical, surgical and primary care specialties delivering exceptional care to patients in communities throughout Trinity Health Of New England’s expansive service area.

Saint Mary's Hospital is a 347-bed, acute care community teaching hospital serving Greater Waterbury, in Connecticut's central Naugatuck Valley, since 1909. Saint Mary's Hospital is part of Trinity Health Of New England, the region's largest health system. A designated Level II Trauma Center, Saint Mary's offers a robust residency training program and an award-winning cardiac and stroke care. It also houses the region's only pediatric emergency care unit. As the leading provider of surgical services in Greater Waterbury, Saint Mary’s was also the first to introduce the da Vinci® Robotic Surgery System. The hospital’s satellites and affiliates extend from Waterbury to Wolcott, Cheshire, Naugatuck, Southbury, Prospect and Watertown.

Trinity Health Of New England is just beginning its story. Formed in 2015, the regional ministry's roots date back more than 100 years. The region’s largest and most comprehensive not-for-profit Catholic health system is a strategic partnership that includes Saint Francis Hospital and Medical Center and Mount Sinai Rehabilitation Hospital in Hartford, Connecticut; Johnson Memorial Hospital in Stafford Springs, Connecticut; Saint Mary's Hospital in Waterbury, Connecticut; and Mercy Medical Center in Springfield, Massachusetts.

Trinity Health Of New England serves a population of 3 million people with a singular patient focus: providing the best possible care, for the best possible outcomes. Focused on provider collaboration and rapidly growing, there are over 13,000 physicians, advanced practitioners and caregivers who, like you, put their patients above all else. This duality of progressive caregiving, combined with a deep commitment to meeting the needs of the most underserved in our communities, is a formula that resonates deeply with the legacies of our clinical partners in this region.

Trinity Health Of New England’s collaborative practice model empowers physicians to work at their highest level—and allows time for professional development and family life. Whether focused on providing outstanding patient-centered care, teaching the next generation of care providers or growing into a leadership role, it’s time to join Trinity Health Of New England.
As a member of Trinity Health, based in Livonia, Michigan, one of the nation's largest multi-institutional Catholic health care delivery systems, Trinity Health Of New England is uniquely positioned to advance health care through alliances with the University of Connecticut School of Medicine, the Frank H. Netter MD School of Medicine at Quinnipiac University, and through its own research institutions dedicated to the development of primary care, new treatments for cancer and MS, and much more.
