OPPORTUNITY HIGHLIGHTS

Trinity Health Of New England – the region’s largest nonprofit health system – is seeking a full time Nurse Practitioner or Physician Assistant to join the Hospital Medicine team at Mercy Medical Center located in Springfield, Massachusetts.

The selected candidate will practice in a 251-bed acute care hospital alongside a care team of 30 physicians and 10 Advanced Practice Providers. The collaborative team gets to build strong working connections with specialists throughout the hospital and clinics to help ensure exceptional coordination of care is provided for hospitalized patients.

Trinity Health Of New England’s collaborative practice model empowers physicians to work at their highest level, while allowing time for professional development and family life. Whether you are focused on providing outstanding patient-centered care, teaching the next generation of care providers or growing into a leadership role, you will thrive at Trinity Health Of New England.
RECRUITMENT PACKAGE

Trinity Health Of New England and Mercy Medical Center offer a competitive compensation and benefits plan.

ABOUT THE FACILITY

Mercy Medical Center is a 251-bed, acute care medical surgical hospital located in Springfield, Massachusetts and is part of Trinity Health Of New England, the region's largest health system. Providing a wide range of inpatient and ambulatory care services, Mercy Medical Center gives patients big-city medical expertise in an intimate, hometown setting. In fact, in 2016, Mercy Medical Center's Care Connect initiative received a first-place Accountable Care Compass Award from the Massachusetts Hospital Association. This patient-centered care delivery model focuses on transitions in care, quality and service improvement as well as hospital and facility-wide coordination, which results in shorter lengths of stay. Mercy has a long-standing commitment to delivering the safest, highest-quality health care.

Trinity Health Of New England is just beginning its story. Formed in 2015, the regional ministry's roots date back more than 100 years. The region’s largest and most comprehensive not-for-profit Catholic health system is a strategic partnership that includes Saint Francis Hospital and Medical Center and Mount Sinai Rehabilitation Hospital in Hartford, Connecticut; Johnson Memorial Hospital in Stafford Springs, Connecticut; Saint Mary’s Hospital in Waterbury, Connecticut; and Mercy Medical Center in Springfield, Massachusetts.

Trinity Health Of New England serves a population of 3 million people with a singular patient focus: providing the best possible care, for the best possible outcomes. Focused on provider collaboration and rapidly growing, there are over 13,000 physicians, advanced practitioners and caregivers who, like you, put their patients above all else. This duality of progressive caregiving, combined with a deep commitment to meeting the needs of the most underserved in our communities, is a formula that resonates deeply with the legacies of our clinical partners in this region.

Trinity Health Of New England’s collaborative practice model empowers physicians to work at their highest level—and allows time for professional development and family life. Whether focused on providing outstanding patient-centered care, teaching the next generation of care providers or growing into a leadership role, it’s time to join Trinity Health Of New England.

As a member of Trinity Health, based in Livonia, Michigan, one of the nation's largest multi-institutional Catholic health care delivery systems, Trinity Health Of New England is uniquely positioned to advance health care through alliances with the University of Connecticut School of Medicine, the Frank H. Netter MD School of Medicine at Quinnipiac University, and through its own research institutions dedicated to the development of primary care, new treatments for cancer and MS, and much more.
COMMUNITY DESCRIPTION

Springfield, Massachusetts sits on the Connecticut River, and its metro-area population is approximately 700,000.
