OPPORTUNITY HIGHLIGHTS

Mercy Health Saint Mary’s (MHSM) and Mercy Health Muskegon (MHM) have an exciting opportunity for an experienced Neonatal Nurse Practitioner or Physician Assistant to join a highly skilled and experienced team serving Grand Rapids and Muskegon, Michigan.

This highly skilled team of four Neonatologists and ten Neonatal Advanced Practice Providers deal with high level and complex patients requiring the NNP’s to utilize their critical thinking skills. Mercy Health Muskegon is a Level II Special Care Nursery and MHSM Grand Rapids is a Level 3 Neonatal Intensive Care unit.

This opportunity is open to full time candidates willing to work as part of the transport team and in both the Muskegon and Grand Rapids locations.

Candidates must have prior Neonatal experience to be considered for this opportunity. Preference will be shown to candidates who have completed a Neonatal Residency.

Minimum required qualifications:
• Successful completion of a NP/PA program
• Master’s Degree
• State of Michigan License
• Active and Current DEA
• ACLS, PALS, NRP Certification
This is an exciting opportunity for the right Neonatal Nurse Practitioner or Physician Assistant to join Mercy Health Saint Mary’s and Mercy Health Muskegon.

RECRUITMENT PACKAGE

Mercy Health Saint Mary’s offers an excellent compensation and benefit package.

ABOUT THE FACILITY

Mercy Health Saint Mary’s (MHSM)– Grand Rapids, Michigan is an integrated network of health care excellence offering a unique combination of capabilities to deliver a health care experience that is more complete and personally satisfying. Our commitment to offer the latest technology and most highly skilled physicians in a holistic, patient-centered environment has made us a progressive leader in many areas: from The Lacks Cancer Center, the region’s sole, dedicated cancer treatment facility, to the Hauenstein Center housing both inpatient and outpatient neurological services under one roof, to Saint Mary’s Southwest, providing a seamless health care experience. Mercy Health Saint Mary’s is at the leading edge of advanced medicine.

Mercy Health Saint Mary’s is a member of Trinity Health, one of the largest Catholic health care organizations in the United States. Trinity Health is based in Livonia, Michigan.

For more information on Mercy Health Saint Mary’s, visit www.smhealthcare.org

Mercy Health Muskegon (MHM) is located on the shores of beautiful Lake Michigan and serves Muskegon, Ottawa, Oceana, and Newaygo County residents. MHM is a teaching hospital and the second largest health care organization in West Michigan. The system is the largest employer in Muskegon County, employing more than 4,000 associates.

MHM has five main locations, including four hospitals, with an approximate 21,000 inpatient discharges and 137,000 emergency/urgent care visits annually. The organization employs 375 physicians and offers a number of exclusive specialty physician care services for the region. MHM is committed to innovation, quality, diversity, compassion and access for all.

MHM is building an addition for all hospital-based services to be under one roof. The campus will include 267 expansive, private patient rooms The addition includes a new Emergency Department, state-of-the-art surgical and procedural areas, and modern amenities and technologies throughout the existing Mercy Campus.
MHM specializes in heart and vascular procedures supported by a cath lab, special procedure room, an open-heart surgery program, comprehensive cardiac rehab, and an accredited vascular lab. The hospital is a recognized leader in orthopedic and spine surgeries, with physicians performing many leading-edge procedures. More than half of Muskegon's babies are born at the Special Delivery Birth Center, and the Center for Breast Imaging and other women's services are known throughout the region for their advanced technology and caring people.

MHM maintains the largest primary care network along the lakeshore with a diversity of practices to meet patient preferences, from complimentary medicine to traditional family care/internal medicine, to geriatric and urgent care medicine.

COMMUNITY DESCRIPTION

Grand Rapids, Michigan, known for its unique combination of urban sophistication and small-town warmth, Grand Rapids is located in Western Michigan on the banks of the legendary Grand River. Incorporated in 1839, today the community is rated among the top cities in the U.S., combining family-friendliness with safety, cleanliness, and an uncommon commitment to enterprise. Businesses tend to thrive because of the region's famous work ethic and a historical commitment to the value of innovation.

Located just minutes away from the splendor of Lake Michigan beaches and dozens of quaint lakeshore towns and villages, Grand Rapids has developed a regional reputation for major artistic and cultural events, a full calendar of stage plays and concerts, outstanding museums, and a world-class botanical garden and sculpture park.

Greater Grand Rapids is Michigan's fastest growing region. A growing economy, outstanding health care, low cost of living, award-winning schools and diverse cultural options are just a few reasons why Grand Rapids is a great place to live. The region is home to people of nearly every race, creed, color, religion and national origin – the public school students alone represent more than 40 languages and 53 countries.

Conveniently located between Detroit and Chicago near Michigan's western shoreline, Grand Rapids is a center for manufacturing excellence, life science discovery, and technological innovation. The region is now the center of one of the largest investment in life sciences in the country. More than $1 billion has been invested in research and patient care – propelling Greater Grand Rapids onto the elite list of America’s top sustainable, knowledge-based economies.

For more information on Grand Rapids, MI please visit www.grandrapids.org

Muskegon, Michigan was rated #13 in the Top Places for Physicians and Surgeons survey by GoodCall.com in 2015.

Muskegon offers a taste for every season. Summer’s warm weather creates the perfect backdrop of blue skies and bright sunshine, ideal for spending time on the beach. Winter’s
crisp, clean air and deep snows offer powder-perfect snowboarding, sledding, skating and skiing. The vivid Spring greenery and spectacular Autumn colors, complimented by mild temperatures, enhance the ideal arena for biking, fishing, and golfing. In addition to the lush outdoor treasures, festivals, live theatre and musical entertainment, vibrant history and rich culinary experiences give a whole new reason to Experience the Lake Effect!

A torch has been lit in the Muskegon area, igniting a burst of new development, cultural opportunities and year-round recreation in a community that continues to evolve and excite. Muskegon is a region with a plan: to unite in successful enterprises, revel in stunning natural resources and amenities, support tourism and provide quality of life that includes a range of residential communities in safe, friendly neighborhoods.

The knowledge-based economy is buoyed by the inventive entrepreneurs bringing the latest in technology and advancement to the area, as well as business owners who are the backbone. They are supported by family-owned businesses and service jobs that cater to visitors who flock to West Michigan to enjoy one-of-a-kind shopping opportunities, pristine beaches, protected dunes and lush lakes and rivers.

Forbes magazine recently ranked Muskegon as #12 nationwide for culture and leisure venues among cities its size and Muskegon is the highest-ranking city in Michigan for job growth.

Located at the heart of the beautiful Lake Michigan shoreline, Muskegon County is just a short drive, flight, bus, or ferry ride from cities like Detroit, Milwaukee, and Chicago.

ABOUT TRINITY HEALTH

Trinity Health is one of the largest multi-institutional Catholic health care delivery systems in the nation. We serve people and communities in 22 states from coast to coast with more than 90 hospitals and 100 continuing care facilities – including home care, hospice, PACE and senior living facilities and programs that provide nearly two and a half million visits annually. Trinity Health employs more than 133,000 colleagues, including 7,800 employed physicians and clinicians.

Our mission: We, Trinity Health, serve together in the spirit of the Gospel as a compassionate and transforming healing presence within our communities. We support this mission by living our core values of Reverence, Commitment to Those Who are Poor, Justice, Stewardship, and Integrity. Committed to recruiting talented physicians, we are looking for physicians who share our values and want to help us fulfill the health care needs of the communities we serve.

At Trinity Health, we value the physician relationship and focus on partnering with our physicians. Whether you are a practicing physician looking to relocate or a medical resident, we offer opportunities with the flexibility to fit your individual needs. If you would like to be part of Trinity Health, we encourage you to explore this opportunity at www.trinity-health.org.

If you are interested in this opportunity and would like to submit your CV, please email docopps@trinity-health.org or call Trinity Health Physician Recruitment at (734) 343-2300.
