OPPORTUNITY HIGHLIGHTS

Saint Alphonsus Medical Group (SAMG) and the Saint Alphonsus Medical Center – Boise (SARMC – B) have an excellent employment opportunity for a Nurse Practitioner with extensive behavioral health experience to join an Outpatient Behavioral Health clinic located in Boise, Idaho.

Saint Alphonsus Medical Group is a 425+ provider multispecialty group practice and is seeking a Nurse Practitioner with extensive previous outpatient behavioral health experience and a passion for working with the mentally ill. The ideal Nurse Practitioner will be dedicated to the treatment of mental illness and will be compassionate towards those struggling with these diagnoses and concerns. The selected candidate will provide direct patient care; assessments, diagnoses, and treatment including prescription medication management, treatment planning and referrals to therapy or other specialists as needed, while working independently in the outpatient Behavioral Health Clinic.

The successful candidate will be an important part of a busy team, must be able to work at a fast pace, and be flexible in working with paper and electronic charting. The selected candidate will be supervised by a Board Certified Psychiatrist and have an interest in pediatrics, adolescents and adult patients. Saint Alphonsus Regional Medical Center is a NHSC approved site.

This schedule for this opportunity is full time, with daytime hours.

Minimum required qualifications for this opportunity are:
1. Licensed in the State of Idaho as a Registered Nurse.
2. Currently licensed as an advanced practice professional nurse in Idaho with the designation of Nurse Practitioner (APRN-NP).
3. Psychiatric –Mental Health ANCC Certification required.
5. Experience in outpatient behavioral health clinic strongly preferred.
6. Comprehensive assessment skills, expert clinical skills including psychopharmacology, and problem solving abilities.
7. Demonstrated ability to integrate research into practice, leadership and consultation skills.
8. Must be flexible and able to work as part of a collaborative team.

SARMC – Boise utilizes Cerner PowerChart for Inpatient EMR /Computerized Order Entry (CPOE), therefore experience with EMR’s is desired.

ABOUT THE FACILITY

Saint Alphonsus Regional Medical Center – Boise, Idaho, is a 387 bed regional medical center serving people throughout the Northwest and is the principal provider of advanced, innovative and interdisciplinary services. It is also the region’s only ACS verified Level II Trauma Center whose annual trauma volumes exceed 1,250 with over 400 patients with an ISS>16. Trauma is predominantly blunt in nature. There are a wide range of subspecialty services available 24/7, including strong trauma/surgical critical care, neurosurgical coverage, in-house interventional radiologists, vascular surgeons, cardiothoracic surgeons and fellowship trained intensivists and cardiologists.

As a not-for-profit medical center, Saint Alphonsus reinvests profits back into the community and works to improve the health and well-being of those we serve by emphasizing care that is patient-centered, innovative and community based. It focuses on providing services in a spiritual, healing environment; is renowned for its state-of-the-art digital environment and pioneering technologies including advanced imaging capabilities; and is known for its award-winning clinical services.

On January 15, 2013, HealthGrades® 11th annual Hospital Quality and Clinical Excellence Study again named Saint Alphonsus a Distinguished Hospital for Clinical Excellence™ for the third year in a row. Saint Alphonsus is the only hospital in Idaho to receive this recognition five times since the award originated in 2003 (2003, 2006, 2011, 2012 and 2013). This prestigious distinction places our medical center among the Top 5% of hospitals nationwide for clinical performance.

The medical center is part of Saint Alphonsus Health System, a growing four-hospital, 714-bed integrated healthcare system serving the full range of the health and wellness needs of the people in southwestern Idaho, eastern Oregon and northern Nevada. The system is comprised of Saint Alphonsus Regional Medical Center in Boise, Idaho, Saint Alphonsus Medical Center in Nampa, Idaho, Saint Alphonsus Medical Center in Ontario, Oregon and Saint Alphonsus Medical Center in Baker City, Oregon. Saint Alphonsus Health System is a member of Trinity Health, the second largest Catholic Health System in the nation. Trinity Health is based in Livonia, Michigan.

COMMUNITY DESCRIPTION

Boise, Idaho, is an economically vibrant and growing community. Boise is a mid-sized metropolitan area of approximately 640,000 people. A commercial center in the Northwest, Boise is an outdoor enthusiast’s paradise and a flourishing scene for arts,
entertainment and collegiate and professional sports. Known as the “City of Trees,” Boise also offers a reasonable cost of living, low crime rate, excellent cultural programs, numerous neighborhood parks and nearby national forests and rivers. Idaho’s culture of physician independence also makes it one of the best places in America to be a practicing physician.

Several high-profile publications rank the Boise metro area as one of the best places in the country to do business and live.

- Outside Magazine recently said, “The winner for best overall town in the western U.S. is Boise, Idaho.”
- Forbes recently ranked the Boise metro area 2nd for raising a family; particularly noting its low crime and high school quality, not to mention the chance to mix urban and outdoor lifestyles.
- CNN/Money ranks the Boise metro area 3rd best place to retire and also named Idaho as the friendliest state for small businesses.
- Medscape Medical News identifies Boise and Idaho as the Best City and State to practice medicine in the West & Northwest Region of the U.S.

For many, work life in Boise is characterized by diverse industries, like technology, government and financial services. Boise is headquarters for several major companies and manufacturing facilities. The corporate community includes Fortune 500 members: Hewlett Packard, Boise Cascade, Washington Group International and Micron Technology. Leading employers also include state government, universities, regional health centers and high tech companies.

When it comes to enjoyment, there are many ways to play in Boise. Situated where the high desert meets the western edge of the Rocky Mountains, Boise is the gateway to exceptional recreational opportunities including: world famous white-water rafting, Nordic and Alpine skiing, snowboarding, hunting, fishing, backpacking, hiking, biking, and camping. A charming downtown area delights residents with fine dining, theater, dance clubs and live music. Summer nights are spent taking in performances at the Idaho Shakespeare Festival or enjoying outdoor live concerts at the Idaho Center. A regional hub for jazz and theater, and home to The Boise Center which hosts numerous functions throughout the year, Boise is a delightful blend of traditional and non-traditional sights and attractions.

Boise frequently receives national recognition for its quality of life and business climate. Recent national rankings include: Best places for business and careers as well as Most Secure Place to Live (500,000 or more residents). Boise and the surrounding communities afford a quality of life second to none. Offering good jobs, affordable housing, a safe, clean and vibrant downtown, and with its vision of becoming the Most Livable City in the Country, the Boise area is a great place to live, work, and raise a family.
