OPPORTUNITY HIGHLIGHTS

Trinity Health Of New England Medical Group seeks an experienced Psychiatry Nurse Practitioner to join an established outpatient psychiatric care team at Mount Sinai Rehabilitation Hospital in Hartford, Connecticut and an office-based practice in Simsbury, Connecticut.

This is an entirely outpatient-based role working two days at Mount Sinai Rehabilitation Hospital and three days in an office setting. The selected candidate will be part of a large team of ten physicians and four Advanced Practice Providers providing psychiatric care with a full support staff, including embedded social workers. This practice environment provides opportunities to practice with autonomy to the top of your license and with the size of the practice, there is no expectation for weekend or evening call. The successful candidate should be a licensed Nurse Practitioner, but the team will welcome new graduate applicants.

As part of Trinity Health Of New England - the region’s largest nonprofit health system – providers experience a culture of collaborative practice that empowers physicians to work at their highest level, while allowing time for professional development and family life. Whether you are focused on providing outstanding patient-centered care, teaching the
next generation of care providers or growing into a leadership role, you will thrive at Trinity Health Of New England.

RECRUITMENT PACKAGE

Trinity Health Of New England Medical Group offers a competitive compensation and benefits plan.

ABOUT THE FACILITY

From Springfield, Massachusetts down through Connecticut, our inspired care team of more than 740 providers working together is united by a shared commitment to help patients achieve optimal health. With 95 integrated practice locations, we represent the full breadth of medical, surgical and primary care specialties delivering exceptional care to patients in communities throughout Trinity Health Of New England’s expansive service area.

Mount Sinai Rehabilitation Hospital is a 60-bed inpatient rehabilitation hospital in Hartford, Connecticut, offering comprehensive recovery and therapy services. Affiliated with Saint Francis Hospital and Medical Center and part of a growing regional health system – Trinity Health Of New England – Mount Sinai Rehabilitation Hospital features state-of-the-art equipment and leading-edge facilities and specializes in brain and spinal cord injuries, stroke, nerve and joint injury, multiple sclerosis, and the effects of major surgery. In fact, the National MS Society has designated Mount Sinai’s Mandell MS Center as a Comprehensive Center for Multiple Sclerosis Care. Our staff of rehabilitation experts is also nationally recognized in the fields of physical and occupational therapy, physiatry, neurology, orthopedics, otolaryngology, speech pathology and many others.

Trinity Health Of New England is just beginning its story. Formed in 2015, the regional ministry’s roots date back more than 100 years. The region’s largest and most comprehensive not-for-profit Catholic health system is a strategic partnership that includes Saint Francis Hospital and Medical Center and Mount Sinai Rehabilitation Hospital in Hartford, Connecticut; Johnson Memorial Hospital in Stafford Springs, Connecticut; Saint Mary’s Hospital in Waterbury, Connecticut; and Mercy Medical Center in Springfield, Massachusetts.

Trinity Health Of New England serves a population of 3 million people with a singular patient focus: providing the best possible care, for the best possible outcomes. Focused on provider collaboration and rapidly growing, there are over 13,000 physicians, advanced practitioners and caregivers who, like you, put their patients above all else. This duality of progressive caregiving, combined with a deep commitment to meeting the needs of the most underserved in our communities, is a formula that resonates deeply with the legacies of our clinical partners in this region.

Trinity Health Of New England’s collaborative practice model empowers physicians to work at their highest level—and allows time for professional development and family life.
Whether focused on providing outstanding patient-centered care, teaching the next generation of care providers or growing into a leadership role, it’s time to join Trinity Health Of New England.

As a member of Trinity Health, based in Livonia, Michigan, one of the nation’s largest multi-institutional Catholic health care delivery systems, Trinity Health Of New England is uniquely positioned to advance health care through alliances with the University of Connecticut School of Medicine, the Frank H. Netter MD School of Medicine at Quinnipiac University, and through its own research institutions dedicated to the development of primary care, new treatments for cancer and MS, and much more.

COMMUNITY DESCRIPTION

Hartford, Connecticut - The state capital, has a population of approximately 125,000 residents. Home to Armismear, the historic residence of industrialist Samuel Colt, inventor of the Colt revolver, Hartford now hosts major corporations, including Aetna, Cigna, United Technologies and Bank of America. It is also a city of neighborhoods—from “Little Italy” in the South End to the ornate homes of Keney Park to Upper Albany, known for its Caribbean restaurants. Hartford is home to the Mark Twain House & Museum, Bushnell Center for the Performing Arts, the renowned Wadsworth Atheneum Museum of Art and the Connecticut Science Center. Hartford has good public and private schools, as well as higher-education institutions, including Trinity College and the University of Connecticut. Hartford is served by major highways, Amtrak, Connecticut Transit and Bradley International Airport.

Practicing in Hartford, puts you in the heart of New England. This small city environment of 125,000 residents offers a tremendous selection of welcoming neighborhoods in which to live, excellent public and private schools, great restaurants, shopping, music, museums and historical areas. The central New England location puts you in close proximity to New York City and Boston with easy access to dependable air and rail services.
