ABOUT THE FACILITY

Mount Carmel Health System – serving more than a half a million patients a year – is the second-largest health system in Central Ohio, with four acute care hospitals, outpatient facilities, physicians’ offices, surgery centers, emergency and urgent care centers, as well as community outreach sites throughout central Ohio.

Our Values Are Your Values. At Mount Carmel, we believe it's not enough that we care. We want to make certain that we show that caring in everything we do, to everyone we meet, every day. That's why, at Mount Carmel, we have some guidelines that we live by. We call them our CORE Values - Respect, Compassion, Excellence, Care of the Poor and Underserved, and Social Justice.

Mount Carmel East serves the growing Columbus east side communities and holds the distinctions of the busiest emergency department in greater Columbus and the most admissions within the Mount Carmel Health System.

Mount Carmel East most recently had a 200,000 square feet expansion to include a state-of-the-art heart center, including an 18-bed coronary care unit and a 30-bed step-down unit, as well as a new maternity center, which includes 12 labor and delivery rooms, two Cesarean operating rooms, seven antepartum rooms, 40 obstetric beds and a 15-bed Level III special care nursery.
Mount Carmel East also features 18 operating rooms, 2 open-heart operating rooms, endoscopy lab, multiple intensive care units (MICU, SICU and CCU), neuroscience unit with epilepsy monitoring beds and a dedicated observation unit. And special features like the Bruce E. Siegel Center for Health Education bring even more resources to the appealing East campus.

**Mount Carmel St. Ann’s** has always been the sole, full-service inpatient hospital in northeast central Ohio. However, thanks to a recent expansion, it’s transformed into regional medical center with a long list of patient-centered facilities and services.

Today St. Ann’s is home to a fully integrated cardiovascular center of excellence with open-heart capabilities, a Primary Stroke Center, a dedicated Women’s Health Center, a Maternity Pavilion that welcomes more than 4,500 new babies every year, an award-winning Network Cancer Program, the first Cyberknife® robotic radiosurgery center in central Ohio and a dedicated orthopedics and spine unit.

These state-of-the-art facilities and capabilities, along with our exceptional team of medical professionals, allow Mount Carmel St. Ann’s to provide award-winning, patient-centered care.

Mount Carmel St. Ann’s was recognized with a 2018 U.S. News & World Report “high performing” rating in Chronic Obstructive Pulmonary Disease (COPD). Only 10-20% of hospitals evaluated for each condition or procedure earn “high performing” ratings.
