OPPORTUNITY HIGHLIGHTS

St. Peter’s Health Partners Medical Associates, P.C., has an excellent full time employment opportunity for an experienced Adult Nurse Practitioner to join an existing outpatient Internal Medicine practice located in Troy, New York.

The selected provider will join a practice located on the St. Mary’s campus. The practice offers routine adult and geriatric health care (including annual physicals for health maintenance, work, school or insurance); routine care for illness, injury and chronic medical conditions; preventive immunizations and precautionary inoculations; women's health services (annual pelvic exams, Pap smears); preventive health and wellness services, including cancer screening.

The experienced providers promote a healthy lifestyle and encourage patients to take charge of their own health and well-being. This practice is a Tier 3 Patient Centered Medical Home.

The schedule for this opportunity is Monday through Friday: 7:00 am to 5:00 pm. Flexible scheduling is available.

Candidates interested in this opportunity should possess at least two to three years of Nurse Practitioner experience in a Primary Care setting or five plus years of experience as
an RN. A strong interest in the provision of primary care for all adult age groups is required as well as board certification, New York Licensure and DEA.

This opportunity is unable to sponsor H-1B visa and J-1 waiver candidates.

This is an exciting opportunity to join an established practice with strong patient demand. Enjoy excellent colleagues, strong system practice support.

**ABOUT THE FACILITY**

**St. Peter’s Health Partners Medical Associates**, *(SPHPMA)* is one of the Capital Region’s largest multi-specialty physician groups with more than 350 physicians and advanced practitioners, in more than 80 practice locations. SPHPMA is a full affiliate corporation of St. Peter’s Health Partners – the region’s largest and most comprehensive not-for-profit network of high quality, advanced medical care, primary care, rehabilitation and senior services. Our practices and staff are dedicated to bringing together the best possible care and experience for our patients through improved coordination of care among their primary care providers, specialists, hospital and other health care providers. We work with our patients and their loved ones to provide high-quality, compassionate care and advanced treatment options in a supportive, healing environment.

**St. Mary's Hospital** will become a focal point for the system’s behavioral health program, as well as a consolidated ambulatory center that will include a new outpatient cancer treatment facility, which will offer radiation therapy, infusion and psychosocial support services. Emergency and surgical services, endoscopy, imaging, cardiac rehab, outpatient physical therapy, sleep studies and primary care services will also continue at St. Mary’s.
