OPPORTUNITY HIGHLIGHTS

Saint Alphonsus Regional Medical Center – Boise and Saint Alphonsus Heart Institute have an excellent employment opportunity for a Cardiac Nurse Practitioner – Inpatient Atrial Fibrillation Coordinator (AFC) to join a team located in Boise, Idaho.

The AFIB Management Center within the Saint Alphonsus Heart Institute seeks a candidate genuinely interested in caring for patients with cardiac rhythm disorders while working within a multi-disciplinary team to grow the service.

The Atrial Fibrillation Coordinator is an expert clinician and patient advocate in atrial arrhythmias, specifically atrial fibrillation (AF), atrial flutter (AFL), and atrial tachycardia (AT) – collectively referred to here as AF. As a protocol driven service the provider delivers direct care, including identifying patients, assessing, diagnosing, planning and implementing interventions to treat health problems, health promotion and preventive care, and immediate follow up care of recently hospitalized patients with AF. In addition to direct patient care, the sub-roles of the AFC include education, research and consultation within the Saint Alphonsus Health System and community. The AFC also assists in the overall performance of the AF Management Center including collection and measurement of Trinity and national indicators for quality patient care.

The schedule for this opportunity is Monday-Friday with mutual flexibility. Call coverage is on occasion, if needed.
The requirements for this opportunity include:

1. Licensed as an Advanced Practice Professional Nurse (APPN/ANP-BC) and be certified as a Nurse Practitioner.
2. Meet the medical center’s customer service standards including interpersonal communication and professional conduct expectations.
3. Demonstrate knowledge and skills to competently care for all assigned age groups (adult and geriatric as applicable).
4. Previous Advanced Practice Provider experience in cardiac disease management or chronic care management preferred.
5. Comprehensive assessment skills, expert clinical skills and problem solving abilities.
6. In collaboration with Cardiologists, Hospitalists, ED Physicians, and other medical staff members, ensure provision of appropriate clinical services to clients. Provide follow-up consultations/support as needed.
7. Assist in creating educational materials and resources.
8. Participate in the development and clinical flow of all services provided by the system, both inpatient and outpatient, in the clinical area of atrial arrhythmias.

This is an excellent opportunity for the right Nurse Practitioner to join Saint Alphonsus Regional Medical Center – Boise and Saint Alphonsus Heart Institute.

ABOUT THE FACILITY

Saint Alphonsus Regional Medical Center – Boise, Idaho, is a 387 bed regional medical center serving people throughout the Northwest and is the principal provider of advanced, innovative and interdisciplinary services. It is also the region’s only ACS verified Level II Trauma Center whose annual trauma volumes exceed 1,250 with over 400 patients with an ISS>16. Trauma is predominantly blunt in nature. There are a wide range of subspecialty services available 24/7, including strong trauma/surgical critical care, neurosurgical coverage, in-house interventional radiologists, vascular surgeons, cardiothoracic surgeons and fellowship trained intensivists and cardiologists.

As a not-for-profit medical center, Saint Alphonsus reinvests profits back into the community and works to improve the health and well-being of those we serve by
emphasizing care that is patient-centered, innovative and community based. It focuses on providing services in a spiritual, healing environment; is renowned for its state-of-the-art digital environment and pioneering technologies including advanced imaging capabilities; and is known for its award-winning clinical services.

On January 15, 2013, HealthGrades® 11th annual Hospital Quality and Clinical Excellence Study again named Saint Alphonsus a Distinguished Hospital for Clinical Excellence™ for the third year in a row. Saint Alphonsus is the only hospital in Idaho to receive this recognition five times since the award originated in 2003 (2003, 2006, 2011, 2012 and 2013). This prestigious distinction places our medical center among the Top 5% of hospitals nationwide for clinical performance.

The medical center is part of Saint Alphonsus Health System, a growing four-hospital, 714-bed integrated healthcare system serving the full range of the health and wellness needs of the people in southwestern Idaho, eastern Oregon and northern Nevada. The system is comprised of Saint Alphonsus Regional Medical Center in Boise, Idaho, Saint Alphonsus Medical Center in Nampa, Idaho, Saint Alphonsus Medical Center in Ontario, Oregon and Saint Alphonsus Medical Center in Baker City, Oregon. Saint Alphonsus Health System is a member of Trinity Health, the second largest Catholic Health System in the nation. Trinity Health is based in Livonia, Michigan.

COMMUNITY DESCRIPTION

Boise, Idaho, is an economically vibrant and growing community. Boise is a mid-sized metropolitan area of approximately 640,000 people. A commercial center in the Northwest, Boise is an outdoor enthusiast’s paradise and a flourishing scene for arts, entertainment and collegiate and professional sports. Known as the “City of Trees,” Boise also offers a reasonable cost of living, low crime rate, excellent cultural programs, numerous neighborhood parks and nearby national forests and rivers. Idaho's culture of physician independence also makes it one of the best places in America to be a practicing physician.

Several high-profile publications rank the Boise metro area as one of the best places in the country to do business and live.

- Outside Magazine recently said, “The winner for best overall town in the western U.S. is Boise, Idaho.”
- Forbes recently ranked the Boise metro area 2nd for raising a family; particularly noting its low crime and high school quality, not to mention the chance to mix urban and outdoor lifestyles.
- CNN/Money ranks the Boise metro area 3rd best place to retire and also named Idaho as the friendliest state for small businesses.
- Medscape Medical News identifies Boise and Idaho as the Best City and State to practice medicine in the West & Northwest Region of the U.S.

For many, work life in Boise is characterized by diverse industries, like technology, government and financial services. Boise is headquarters for several major companies and manufacturing facilities. The corporate community includes Fortune 500 members: Hewlett Packard, Boise Cascade, Washington Group International and Micron Technology.
Leading employers also include state government, universities, regional health centers and high tech companies.

When it comes to enjoyment, there are many ways to play in Boise. Situated where the high desert meets the western edge of the Rocky Mountains, Boise is the gateway to exceptional recreational opportunities including: world famous white-water rafting, Nordic and Alpine skiing, snowboarding, hunting, fishing, backpacking, hiking, biking, and camping. A charming downtown area delights residents with fine dining, theater, dance clubs and live music. Summer nights are spent taking in performances at the Idaho Shakespeare Festival or enjoying outdoor live concerts at the Idaho Center. A regional hub for jazz and theater, and home to The Boise Center which hosts numerous functions throughout the year, Boise is a delightful blend of traditional and non-traditional sights and attractions.

Boise frequently receives national recognition for its quality of life and business climate. Recent national rankings include: Best places for business and careers as well as Most Secure Place to Live (500,000 or more residents). Boise and the surrounding communities afford a quality of life second to none. Offering good jobs, affordable housing, a safe, clean and vibrant downtown, and with its vision of becoming the Most Livable City in the Country, the Boise area is a great place to live, work, and raise a family.
