ABOUT THE FACILITY

Mercy Health Muskegon (MHM) is located on the shores of beautiful Lake Michigan and serves Muskegon, Ottawa, Oceana, and Newaygo County residents. MHM is a teaching hospital and the second largest health care organization in West Michigan. The system is the largest employer in Muskegon County, employing more than 4,000 associates.

MHM has an approximate 21,000 inpatient discharges and 137,000 emergency/urgent care visits annually. The organization employs 375 physicians and offers a number of exclusive specialty physician care services for the region. MHM is committed to innovation, quality, diversity, compassion and access for all.

MHM is building an addition for all hospital-based services to be under one roof. The campus will include 267 expansive, private patient rooms. The addition includes a new Emergency Department, state-of-the-art surgical and procedural areas, and modern amenities and technologies throughout the existing Mercy Campus.

MHM specializes in heart and vascular procedures supported by a cath lab, special procedure room, an open-heart surgery program, comprehensive cardiac rehab, and an accredited vascular lab. The hospital is a recognized leader in orthopedic and spine surgeries, with physicians performing many leading-edge procedures. More than half of Muskegon's babies are born at the Special Delivery Birth Center, and the Center for Breast Imaging and other women's services are known throughout the region for their advanced technology and caring people.

MHM maintains the largest primary care network along the lakeshore with a diversity of practices to meet patient preferences, from complimentary medicine to traditional family care/internal medicine, to geriatric and urgent care medicine.
