OPPORTUNITY HIGHLIGHTS

Mercy Health Muskegon (MHM) has an excellent opportunity for an Obstetrics and Gynecology physician to be part of a busy private practice located in Norton Shores, Michigan.

The successful Board Certified or Board Eligible Obstetrics and Gynecology will join two physicians, an Advanced Practice Provider, a Physical Therapist and an Ultrasound Technician in a practice whose mission is to offer patient centered medical care based on trust and communication.

This is full time employment opportunity for an additional physician to meet the growing demand of the community. The practice has onsite Ultrasound and Physical Therapy and is only ten minutes to nearby hospitals for laboratory and x-ray services. The practice is centrally located minutes from gorgeous Lake Michigan in Muskegon/Norton Shores and is a short drive from Ludington, Manistee, Grand Haven, Spring Lake, North Muskegon and the Grand Rapids areas.

This is an exciting opportunity for the right Obstetrics and Gynecology physician to join a private practice in the Muskegon area.

RECRUITMENT PACKAGE

This opportunity offers an excellent compensation and benefits package for the right candidate including a salary that is competitive with a 2-year hospital guarantee.
ABOUT THE FACILITY

Mercy Health Muskegon (MHM) is located on the shores of beautiful Lake Michigan and serves Muskegon, Ottawa, Oceana, and Newaygo County residents. MHM is a teaching hospital and the second largest health care organization in West Michigan. The system is the largest employer in Muskegon County, employing more than 4,000 associates.

MHM has an approximate 21,000 inpatient discharges and 137,000 emergency/urgent care visits annually. The organization employs 375 physicians and offers a number of exclusive specialty physician care services for the region. MHM is committed to innovation, quality, diversity, compassion and access for all.

MHM is building an addition for all hospital-based services to be under one roof. The campus will include 267 expansive, private patient rooms. The addition includes a new Emergency Department, state-of-the-art surgical and procedural areas, and modern amenities and technologies throughout the existing Mercy Campus.

MHM specializes in heart and vascular procedures supported by a cath lab, special procedure room, an open-heart surgery program, comprehensive cardiac rehab, and an accredited vascular lab. The hospital is a recognized leader in orthopedic and spine surgeries, with physicians performing many leading-edge procedures. More than half of Muskegon's babies are born at the Special Delivery Birth Center, and the Center for Breast Imaging and other women's services are known throughout the region for their advanced technology and caring people.

MHM maintains the largest primary care network along the lakeshore with a diversity of practices to meet patient preferences, from complimentary medicine to traditional family care/internal medicine, to geriatric and urgent care medicine.
