ABOUT THE FACILITY

Mount Carmel East - With the busiest adult emergency department in greater Columbus, Mount Carmel East is growing right along with the east side communities it serves. Our hospital offers a wide range of services through a number of specialty centers and has made an ongoing commitment to technology that has helped set the facility apart. So has our surgical expertise is so respected that knee replacement surgeries from Mount Carmel East are broadcast live to students and visitors at Ohio's Center of Science and Industry.

With growing demands for heart and maternity care on the east side, Mount Carmel responded by creating the Mount Carmel East Heart Center and Mount Carmel East Maternity Center.

The Heart Center features Cath labs, an electrophysiology lab, a cardiovascular neuro services center, a post-surgery ICU, a coronary care unit and a step-down unit. The Maternity Center includes labor and delivery rooms, cesarean operating rooms, antepartum rooms and a Level III special care nursery. Among the other state-of-the-art facilities at our hospital in Columbus, Ohio are multiple intensive care units, an endoscopy lab, a neuroscience unit with epilepsy monitoring beds and the Bruce E. Siegel Center for Health Education.

We are now in the midst of a four-year, $310 million campus-wide modernization project that will ensure Mount Carmel East can provide the people-centered healthcare of tomorrow. That includes the addition of a new five-story patient tower, a conversion to all-private rooms, the introduction of level II trauma care, a new surgical suite with 12 operating rooms and 40 perioperative spaces, an expanded cafeteria and kitchen with bistro-like dining and room service, a new main entrance and lobby, expanding parking, peaceful respite areas and park-like outdoor spaces to create an unprecedented patient experience.

Mount Carmel East has earned Comprehensive Stroke Center Certification – the highest level of stroke certification available – from The Joint Commission and American Heart Association/American Stroke Association. To earn this coveted recognition, hospitals must be capable of diagnosing and treating the most complex stroke cases. Mount Carmel East was recognized with a 2018 U.S. News & World Report Regional Best Hospital badge and earned “high performing” ratings in the gastroenterology and GI surgery specialty and in heart failure, colon cancer, Chronic Obstructive Pulmonary Disease (COPD), and hip and knee replacement
procedures. Only 10-20% of hospitals evaluated for each condition or procedure earn "high performing" ratings.

Mount Carmel St. Ann's has always been the sole, full-service inpatient hospital in northeast central Ohio. However, thanks to a recent expansion, it’s transformed into regional medical center with a long list of patient-centered facilities and services.

Today St. Ann’s is home to a fully integrated cardiovascular center of excellence with open-heart capabilities, a Primary Stroke Center, a dedicated Women’s Health Center, a Maternity Pavilion that welcomes more than 4,500 new babies every year, an award-winning Network Cancer Program, the first Cyberknife® robotic radiosurgery center in central Ohio and a dedicated orthopedics and spine unit.

These state-of-the-art facilities and capabilities, along with our exceptional team of medical professionals, allow Mount Carmel St. Ann’s to provide award-winning, patient-centered care.

Mount Carmel St. Ann’s was recognized with a 2018 U.S. News & World Report “high performing” rating in Chronic Obstructive Pulmonary Disease (COPD). Only 10-20% of hospitals evaluated for each condition or procedure earn "high performing" ratings.

Mount Carmel Health System – serving more than a half a million patients a year – is the second-largest health system in Central Ohio, with four acute care hospitals, outpatient facilities, physicians’ offices, surgery centers, emergency and urgent care centers, as well as community outreach sites throughout central Ohio.

Our Values Are Your Values. At Mount Carmel, we believe it’s not enough that we care. We want to make certain that we show that caring in everything we do, to everyone we meet, every day. That's why, at Mount Carmel, we have some guidelines that we live by. We call them our CORE Values - Respect, Compassion, Excellence, Care of the Poor and Underserved, and Social Justice.
