Trinity Health Mid-Atlantic has an excellent full time employment opportunity for a Board Certified or Board Eligible Oncologist to join a regional group practice with a primary location at Saint Francis Healthcare just south of Philadelphia in Wilmington, Delaware.

Saint Francis Healthcare Hematology/Oncology provides the people of Wilmington and beyond with top quality cancer care uniquely crafted to accommodate each patient’s condition, lifestyle, and personal preferences. A member of the Sidney Kimmel Cancer Center network, created by Thomas Jefferson University, we have access to the latest in cancer research, technology, and treatments. Frontrunners in cancer care research, the Sidney Kimmel Cancer Center orchestrates some of the most ambitious clinical trials and revolutionary treatments in the medical field. Normally, this type of cutting-edge cancer treatment is available only in Philadelphia, but now local residents of Delaware can receive the same level of quality care without having to travel.

The selected candidate will be taking shared call to cover Mercy Catholic Medical Center, Fitzgerald Campus and Philadelphia Campus.
