OPPORTUNITY HIGHLIGHTS

Saint Alphonsus Medical Group and Saint Alphonsus Medical Center – Ontario (SAMC-Ontario) have an excellent full time employment opportunity for an Orthopedic Surgery physician to join a clinic located in Fruitland, Idaho and a hospital-based practice on the campus of SAMC-Ontario located in Ontario, Oregon.

Saint Alphonsus Medical Group (SAMG), a physician led 450+ provider multispecialty group seeking a residency trained orthopedic surgery physician to join a growing surgical practice in Fruitland, Idaho. This growing physician practice provides a full range of customized orthopedic and sports medicine services and is excited to expand their sports medicine practice into neighboring Canyon County. From hip and knee replacement to helping athletes perform at their best or recover from injury and return to sport, the focus is always on the patient. Utilizing a multidisciplinary team approach to patient care, this opportunity requires a proactive approach to practice development and a desire to provide outreach support to various community initiatives such as informational seminars and athletic events.

The typical schedule for this opportunity involves a minimum of 32 hours per week of patient contact time in the clinic. In addition, the physician will possess responsibilities as well as hospital procedures, rounding and consults plus evenings and weekend call. The call includes General Orthopedic Surgery and is currently 1:3; shared equitably among eligible members of the SAMC–O Orthopedic Surgeons. A minimum of 7 days of call is expected each month with additional compensation provided for extra call.
Requirements for this opportunity include Doctor of Medicine (MD) or Doctor of Osteopathy (DO) degree, the successful completion of an ACGME or AOA accredited residency with board certification through the American Board of Orthopaedic Surgery (ABOS) (or obtain within 3 years). The selected candidate must be eligible to obtain Idaho and Oregon medical licensure, valid controlled substance registration with Board of Pharmacy and DEA.

Preference will be shown to candidates who have successfully completed an ACGME accredited Hand, Foot & Ankle fellowship.

This is an exciting opportunity for the right Orthopedic Surgery Physician to join an expanding medical group.

ABOUT THE FACILITY

Saint Alphonsus Medical Center – Ontario – is a 49-bed, acute care hospital located on the Idaho/Oregon border. SAMG–O was established in 1911 by Dominican Sisters and serves Ontario and the surrounding communities in Eastern Oregon and Southwestern Idaho. Having recently celebrated its 100 year anniversary, we focus on providing services in a spiritual, healing environment.

As a not-for-profit medical center, SAMC-O reinvests profits back into the community and works to improve the health and well-being of those we serve by emphasizing care that is patient-centered, innovative and community based. This reinvestment includes the development of the $10,000,000 Saint Alphonsus Fruitland Health Plaza (http://www.saintalphonsus.org/fhp). The Fruitland Health Plaza delivers comprehensive care close to home, providing access to advanced technologies in one family-friendly and convenient location to those patients with routine, chronic or urgent care needs.

The design of the 30,000 square foot Health Plaza, which opened in the Fall of 2012, is intended to create a soothing, nurturing and healing environment focused on the needs of patients. Elements such as natural daylight, wood, water, live plants and earth tones are proven to provide a warm, soothing feeling intended to reduce stress and anxiety, uplift spirits and promote a more relaxed environment. The Fruitland Health Plaza further enhances our 100 year Mission and commitment to provide improved access to health care close to where you live, work, and play.
This state of the art facility is home to primary care and specialty physician offices along with a host of ancillary services. Services offered include: family medicine, urgent care, cardiology, occupational medicine, neurology, neurosurgery, physical, speech and occupational therapies, sports medicine, orthopedics as well as lab and radiology.

HealthGrades, the nation’s most trusted, independent source of physician information and hospital quality ratings, recognized Saint Alphonsus Health System with multiple # 1 State rankings for Overall Cardiac Services, Cardiology Services, Cardiac Surgery, Coronary Interventional Procedures, Neurosciences, Neurosurgery, Treatment of Stroke and Gastro-Intestinal Services.

As a progressive health care provider, Saint Alphonsus customizes services to meet the needs of the patients and the community. Offering a full continuum of health care including acute care, birthing services and newborn care, pediatric care, outpatient services, rehabilitation, home care, outpatient surgery, including a 14-bed day surgery unit, Hospice & Home Health programs, and an 8-bed intensive care unit, SAMC–O strives to provide the most advanced equipment and sophisticated systems for the treatment of our patients.

Saint Alphonsus Medical Center – Ontario is committed to quality, compassionate health care, and personal service for our patients, our community and the physicians that partner with us to care for their patients. We believe that fostering relationships with our physicians is an integral way to achieve a successful future. Saint Alphonsus Medical Center – Ontario and Fruitland Health Plaza are part of the Saint Alphonsus Health System.

Saint Alphonsus Health System is a four-hospital, 714-bed integrated healthcare system serving the full range of the health and wellness needs of the people in southwestern Idaho, eastern Oregon and Northern Nevada. The system is comprised of Saint Alphonsus Regional Medical Center in Boise, Idaho, Saint Alphonsus Medical Center in Nampa, Idaho, Saint Alphonsus Medical Center in Ontario, Oregon and Saint Alphonsus Medical Center in Baker City, Oregon.

COMMUNITY DESCRIPTION

Ontario, Oregon with a population of approximately 11,245 residents is the largest city in Malheur County (pop. 31,615) and is located on the eastern edge of Oregon and is one hour from Boise (a mid-sized metro area of 630,000) and midway between Salt Lake City and Portland.

Located on the Snake River, it is part of the area known as Idaho’s Western Treasure Valley. The geography has spacious, rugged areas as well as prime agricultural growing land. The people in this area come from diverse cultural backgrounds, including those of Japanese, Basque, Mexican, Native American and European descent.

While Ontario serves as the retail, service, and medical center for 167,000 people within a 45-mile radius, the hospital’s defined service area is comprised of 70,000 people. Interstate 84 and Oregon Highways 20/26, 30, and 201 all pass through Ontario; U.S. Highway 95 connects with Ontario via the Snake River Bridge on the Idaho/Oregon border.
Ontario has an agriculturally based economy; crops include onions, potatoes, sugar beets, corn, alfalfa, mint, seeds, grain, and hay. Livestock raised locally include: cattle, sheep, llamas, and buffalo. Trucking companies as well as Union Pacific rail lines help transport these commodities and processed food to markets throughout the nation and the world. There is also a growing retail sector that attracts shoppers from throughout the area.

The Ontario School District includes a high school, a middle school, and five elementary schools for 2,800 students. Voters in the community recently approved a school bond to finance construction and upgrades to existing schools. There are also two private schools and one charter school serving students K-8, two Head Start programs serving around 250 students, and several day care/pre-school centers. A local association provides support for home schooling families. Treasure Valley Community College provides educational, athletic musical, and cultural activities for students and the public, and an extension of Eastern Oregon University is housed in the Four Rivers Cultural Center.

The attractive and affordable housing in Ontario includes townhouses, apartments in quiet, gated communities, and country and mountain homes. A wide diversity of religious groups provides opportunity for worship and volunteer service. There are 30 congregations of different persuasions, including the only Buddhist Temple in Eastern Oregon.

Outdoors enthusiasts are drawn to Ontario, which is close to the Leslie Gulch-Succor Creek National Back Country Byway. The Byway offers views of some of the most rugged and spectacular countryside in eastern Oregon. There are many striking geologic formations, such as vertical towers, pinnacles, and deep gorges, as well as the vibrant pinks, oranges, purples, and reds painted across the sandstone cliffs.

Recreation opportunities abound in Ontario, which has a community aquatic center, 18-hole municipal golf course, movie theater with eight screens, bowling alley, fitness centers, Four Rivers Cultural Center, and over 61 acres of parks, including five municipal parks, one state park, and a skate park. Major local events include the America’s Global Village Festival, Japanese-American Obon Festival, Malheur County Fair, Winter Wonderland Parade, and Basque Dinner & Dance. Other area recreation includes swimming, water skiing, bicycling, boating, hunting, hiking, and world-class fly fishing. Snow sports can also be found on nearby mountain slopes.
