SPECIALTY  Orthopedic Trauma Surgery

HOSPITAL  Saint Alphonsus Regional Medical Center – Boise
SAMG Hartman Medical Office Building (campus-based clinic)

LOCATION  Boise, Idaho

GROUP PRACTICE  Yes

PRACTICE MODEL  Employment

STATUS  Full Time

AVAILABILITY  2013

REQUIREMENTS  Orthopedic Trauma Fellowship
Board Certified or Board Eligible

CALL COVERAGE  1:7

OPPORTUNITY HIGHLIGHTS

Saint Alphonsus Medical Group (SAMG) has an excellent Full Time employment opportunity for a Fellowship Trained, Board Certified or Board Eligible Orthopedic Trauma Surgery physician to join a primarily hospital based practice located in Boise, Idaho.

The requirements include the successful completion of an accredited orthopedic residency program, board certification through the American Board of Orthopedic Surgery (ABOS) or the American Osteopathic Board of Orthopedic Surgery (AOBOS) (or obtain such certification within 3 years of employment), Orthopedic Trauma Fellowship with a keen ability to treat and manage complex orthopedic pelvic and acetabular fractures.

The ideal candidate will be a member in good standing of the Orthopedic Trauma Association, obtain a full license in Idaho to practice medicine in all its phases and a valid controlled substance registration with the Idaho Board of Pharmacy and DEA.

This opportunity includes Inpatient call responsibilities and Orthopedic Trauma Program Director duties and responsibilities. The call is allocated among orthopedic surgeons on orthopedic trauma call (current call responsibility is 1:7) and does not include spine trauma. The work schedule is days and periodic weekends.

Additional requirements also include a desire to lead and direct the orthopedic trauma program to include oversight of the Ortho PI Committee, evaluation of program
participants, determining quality standards and working with the trauma program medical
director to develop orthopedic trauma contract participation standards.

SAMG is a 280 provider multispecialty group practice located across Southwest Idaho and
Eastern Oregon. We are seeking a full-time Orthopedic Surgeon to practice at Saint
Alphonsus Regional Medical Center (SARMC) and on an outpatient basis monitoring
orthopedic trauma patients post-discharge at a newly developed campus-based Hartman
Medical Office Building Clinic. The well qualified candidate will also commit to and
demonstrate a multi-disciplinary team approach to patient care.

Saint Alphonsus Regional Medical Center is nationally verified by the American College of
Surgeons (ACoS) as a Level II Trauma Center. The Saint Alphonsus Trauma Network
spans southern Idaho, eastern Oregon and northern Nevada and brings a level of medical
responsiveness that is unmatched throughout the region. Within the Saint Alphonsus
Health System, Saint Alphonsus Medical Center in Nampa is a Level III facility and Saint
Alphonsus Medical Centers in Ontario and Baker City are Level IV facilities.

The Saint Alphonsus Trauma Service is staffed by six Trauma and Acute Care General
Surgeons, who admit and manage medical issues for the orthopedic surgeons on trauma
call. A dedicated trauma room is available Monday - Friday. On Saturday and Sunday, a
dedicated orthopedic trauma room is available from 8 am -12 noon for post-call urgent
patients admitted the prior night.

Orthopedic surgeons also work cooperatively with the Family Practice Residency of Idaho
(FMRI) and SARMC Hospitalists to admit and manage non-trauma orthopedic cases.
There are a wide range of subspecialty services available 24/7, including strong
neurosurgical coverage, in-house interventional radiologists, vascular surgeons,
cardiothoracic surgeons and fellowship trained intensivists.

SAMG - Orthopedics is comprised of Orthopedists Fellowship trained in Joint
Reconstruction, Sports, Foot and Ankle, Spine as well as Hand and Microvascular that
cover two states supported by a regional health system. SAMG - Orthopedics dedicates
Clinical Research Coordinators to assist surgeons interested in orthopedic research and is
currently conducting ten trials.

Inpatient EMR/Computerized Order Entry: Cerner PowerChart® is available. NextGen®
Ambulatory EHR to be installed Spring 2014.

Saint Alphonsus Health System Values, Mission and Vision

Guided by our core values of respect, social justice, compassion, care of the poor and
underserved and excellence, we at Saint Alphonsus Health System (SAHS) serve
together, in the spirit of the Gospel, to heal body, mind and spirit, to improve the health of
our communities and to steward the resources entrusted to us.

Unified by our faith-based mission, Saint Alphonsus Health System will:
- Provide healing and hope, close to home
- Help our communities grow and thrive
- Be a trusted partner for life
- Deliver value in everything we do
Saint Alphonsus Health System Guiding Behaviors

Saint Alphonsus establishes and promotes the following guiding behaviors: we support each other in serving; we communicate openly, honestly, respectfully and directly; we are fully present; we are all accountable; we trust and assume goodness in intentions; and we are continuous learners. It is our cultural expectation that all providers will emulate these guiding behaviors and model them for all Saint Alphonsus associates.

We greatly value the input and leadership of our physicians and encourage each physician to actively participate in department meetings, SAMG leadership council and in matters of practice/service line development.

As continuous learners, we encourage and promote ongoing continuing medical education (CME) activities for our providers and will financially support your CME endeavors. Further, as part of our shared vision to become a trusted health partner for life, we strive to continuously increase patient satisfaction and loyalty.

This is an exciting opportunity for the right Orthopedic Trauma Surgery physician to join Saint Alphonsus Medical Group.

RECRUITMENT PACKAGE

An excellent and competitive income and benefits package is available.

ABOUT THE FACILITY

Saint Alphonsus Regional Medical Center - Boise, Idaho, is a 387 bed regional medical center serving people throughout the Northwest and is the principal provider of advanced, innovative and interdisciplinary services. It is also the region’s only ACS verified Level II Trauma Center whose annual trauma volumes exceed 1,250 with over 400 patients with an ISS>16. Trauma is predominantly blunt in nature. There are a wide range of subspecialty services available 24/7, including strong trauma/surgical critical care, neurosurgical coverage, in-house interventional radiologists, vascular surgeons, cardiothoracic surgeons and fellowship trained intensivists and cardiologists.

As a not-for-profit medical center, Saint Alphonsus reinvests profits back into the community and works to improve the health and well-being of those we serve by emphasizing care that is patient-centered, innovative and community based. It focuses on providing services in a spiritual, healing environment; is renowned for its state-of-the-art digital environment and pioneering technologies including advanced imaging capabilities; and is known for its award-winning clinical services.
On January 15, 2013, HealthGrades® 11th annual Hospital Quality and Clinical Excellence Study again named Saint Alphonsus a Distinguished Hospital for Clinical Excellence™ for the third year in a row. Saint Alphonsus is the only hospital in Idaho to receive this recognition five times since the award originated in 2003 (2003, 2006, 2011, 2012 and 2013). This prestigious distinction places our medical center among the Top 5% of hospitals nationwide for clinical performance.

Further, on July 16, 2013, U.S. News & World Report released its annual Best Hospitals rankings. Saint Alphonsus Regional Medical Center in Boise earned the #1 ranking in Idaho and once again ranked #1 as the Best Hospital in the Boise metropolitan area; the report included analysis of 12 hospitals in the Treasure Valley. In addition to the #1 hospital ranking, Saint Alphonsus Regional Medical Center received high-performing marks in four specialties: Gynecology, Orthopedics, Pulmonology, and Urology.

The medical center is part of Saint Alphonsus Health System, a growing four-hospital, 714-bed integrated healthcare system serving the full range of the health and wellness needs of the people in southwestern Idaho, eastern Oregon and northern Nevada. The system is comprised of Saint Alphonsus Regional Medical Center in Boise, Idaho, Saint Alphonsus Medical Center in Nampa, Idaho, Saint Alphonsus Medical Center in Ontario, Oregon and Saint Alphonsus Medical Center in Baker City, Oregon. Saint Alphonsus Health System is a member of Trinity Health/Catholic Health East, the second largest Catholic Health System in the nation. Trinity Health/Catholic Health East is based in Livonia, Michigan.

COMMUNITY DESCRIPTION

Boise, Idaho, is an economically vibrant and growing community. Boise is a mid-sized metropolitan area of approximately 640,000 people. A commercial center in the Northwest, Boise is an outdoor enthusiast’s paradise and a flourishing scene for arts, entertainment and collegiate and professional sports. Known as the “City of Trees,” Boise also offers a reasonable cost of living, low crime rate, excellent cultural programs, numerous neighborhood parks and nearby national forests and rivers. Idaho’s culture of physician independence also makes it one of the best places in America to be a practicing physician.

Several high-profile publications rank the Boise metro area as one of the best places in the country to do business and live.

- Outside Magazine recently said, “The winner for best overall town in the western U.S. is Boise, Idaho.”
- Forbes recently ranked the Boise metro area 2nd for raising a family; particularly noting its low crime and high school quality, not to mention the chance to mix urban and outdoor lifestyles.
- CNN/Money ranks the Boise metro area 3rd best place to retire and also named Idaho as the friendliest state for small businesses.
- Medscape Medical News identifies Boise and Idaho as the Best City and State to practice medicine in the West & Northwest Region of the U.S.
For many, work life in Boise is characterized by diverse industries, like technology, government and financial services. Boise is headquarters for several major companies and manufacturing facilities. The corporate community includes Fortune 500 members: Hewlett Packard, Boise Cascade, Washington Group International and Micron Technology. Leading employers also include state government, universities, regional health centers and high tech companies.

When it comes to enjoyment, there are many ways to play in Boise. Situated where the high desert meets the western edge of the Rocky Mountains, Boise is the gateway to exceptional recreational opportunities including: world famous white-water rafting, Nordic and Alpine skiing, snowboarding, hunting, fishing, backpacking, hiking, biking, and camping. A charming downtown area delights residents with fine dining, theater, dance clubs and live music. Summer nights are spent taking in performances at the Idaho Shakespeare Festival or enjoying outdoor live concerts at the Idaho Center. A regional hub for jazz and theater, and home to The Boise Center which hosts numerous functions throughout the year, Boise is a delightful blend of traditional and non-traditional sights and attractions.

Boise frequently receives national recognition for its quality of life and business climate. Recent national rankings include: Best places for business and careers as well as Most Secure Place to Live (500,000 or more residents). Boise and the surrounding communities afford a quality of life second to none. Offering good jobs, affordable housing, a safe, clean and vibrant downtown, and with its vision of becoming the Most Livable City in the Country, the Boise area is a great place to live, work, and raise a family.
