OPPORTUNITY HIGHLIGHTS
Trinity Health Mid-Atlantic Medical Groups have an excellent full time employment opportunity for a Board Certified or Board Eligible Psychiatry physician to provide Detox services at Mercy Philadelphia Hospital located in Philadelphia, Pennsylvania.

The selected provider will work within the Detox Services program within Mercy Philadelphia Hospital. The program offers medically managed detox services to patients suffering from alcohol, opioid or other drug dependence. This program is designed to help people safely withdraw from substances and to educate patients about the disease and recovery process. It also connects patients with appropriate continuing care services. In addition to full medical management, patients receive individual and group therapy, and psycho-educational services.

This is an opportunity for an excellent Psychiatry physician to join Trinity Health Mid-Atlantic Medical Groups.

RECRUITMENT PACKAGE
Trinity Health Mid-Atlantic Medical Groups offer a competitive compensation package based on training and clinical experience including:

- Competitive salary
• Generous vacation with additional dedicated CEU time
• Robust benefits package to include medical, dental, vision, STD and LTD offerings
• Yearly professional allowance
• License and DEA reimbursement

ABOUT THE FACILITY

Mercy Philadelphia Hospital has been caring for the communities in West and Southwest Philadelphia for over 100 years.

Founded by the Sisters of Mercy, its mission is characterized by a dedication to the poor and disadvantaged and by providing compassionate care to all patients.

In 2018, Mercy Philadelphia Hospital had 7,680 admissions, 48,627 visits in the Emergency Department, and 58,675 outpatient visits. The hospital has 157 licensed beds.

Clinical excellence and patient safety are top priorities at Mercy Philadelphia Hospital, as reflected by its ‘A’ grade for Patient Safety from the Leapfrog Group. Other quality recognitions include its certification as a Primary Stroke Center by the Joint Commission, a Lung Cancer Screening Center and a Breast Imaging Center of Excellence by the American College of Radiology, as well as accolades including Get with the Guidelines Gold Plus Achievement for Stroke Care and Get with the Guidelines Gold Award for Heart Failure.

Comprehensive services at Mercy Philadelphia Hospital include bariatrics, emergency, surgical, cardiac, critical care, oncology, wound care and hyperbarics, gastroenterology, behavioral health, physical and occupational rehabilitation, vascular, and interventional and diagnostic radiology. The Mercy Cancer Care program is accredited by The American College of Surgeons Commission on Cancer, and is affiliated with the Sidney Kimmel Cancer Network at Jefferson. In addition, affiliations with Penn Medicine Heart and Vascular Network and the Jefferson Neuroscience Network bring world-class cardiovascular and neurosurgical services, respectively, to the communities served by the hospital.

Through countless community outreach, such as free screenings, the popular and free Dine with the Docs series, support groups and education, as well as alliances with churches, community organizations and leaders, the hospital impacts the lives of thousands of residents annually.

Trinity Health Mid-Atlantic comprises Mercy Health System (Southeastern Pennsylvania), Saint Francis Healthcare (Wilmington, DE), St. Mary Medical Center (Langhorne, Pa.), and their associated home health and LIFE programs, aligned joint ventures, sub-corporations, programs and services.

Formed in October 2018, the Trinity Health Mid-Atlantic region empowers the three Trinity Health Regional Health Ministries to be one unified, regional system with five hospitals,
continuing care services and support services, operating from a position of strength across the many diverse neighborhoods we serve. Trinity Health Mid-Atlantic will serve together in the spirit of the Gospel as a compassionate and transforming healing presence.

ABOUT TRINITY HEALTH

Trinity Health is one of the largest multi-institutional Catholic health care delivery systems in the nation. We serve people and communities in 22 states from coast to coast with more than 90 hospitals and 100 continuing care facilities – including home care, hospice, PACE and senior living facilities and programs that provide nearly two and a half million visits annually. Trinity Health employs more than 133,000 colleagues, including 7,800 employed physicians and clinicians.

Our mission: *We, Trinity Health, serve together in the spirit of the Gospel as a compassionate and transforming healing presence within our communities.* We support this mission by living our core values of **Reverence, Commitment to Those Who are Poor, Justice, Stewardship, and Integrity.** Committed to recruiting talented physicians, we are looking for physicians who share our values and want to help us fulfill the health care needs of the communities we serve.

At Trinity Health, we value the physician relationship and focus on partnering with our physicians. Whether you are a practicing physician looking to relocate or a medical resident, we offer opportunities with the flexibility to fit your individual needs.
