OPPORTUNITY HIGHLIGHTS

IHA and St. Joseph Mercy Ann Arbor have an excellent full time employment opportunity for a Board Certified or Board Eligible Anatomic and Clinical Pathology physician who has a subspecialty interest in gynecologic and breast pathology as well as cytopathology to join a well-respected multi-specialty group located in Ann Arbor, Michigan.

This partnership track opportunity includes a laboratory Medical Directorship of a clinical laboratory in a 400 bed hospital. Additional responsibilities include shared sign-out duties in surgical pathology in focused areas, as well as some clinical pathology, based on interest and need.

The successful candidate will join a highly desirable, collegial group of 16 pathologists based in Ann Arbor, Michigan. This pathology practice has been in existence for close to 50 years. Currently the practice is serving four hospitals in southeastern Michigan, their associated outreach programs, managing a reference laboratory devoted to esoteric and specialized testing and three limited function outpatient laboratories.

The group examines approximately 80,000 surgical specimens yearly, 500+ bone marrows, and has the largest flow cytometry service in the state. An active role is taken in clinical pathology and laboratory management and the providers enjoy working in a
professionally supportive environment with colleagues who are committed to making group decisions through consensus.

This is an exciting opportunity for the right Gynecology and Breast Pathologist to be part of a well-established group practice.

RECRUITMENT PACKAGE

An excellent compensation and benefits package is available for the right candidate including:

- Competitive base rate and compensation plan
- Medical, Dental, and Vision Insurance
- Retirement Benefits; 403b, 457
- Public Service Loan Forgiveness
- Short and Long Term Disability
- Profession Malpractice Coverage with Tail Coverage
