Trinity Health Supplier Diversity

We actively seek supplier partners that share our commitment to diversity, sustainability, and making a positive impact in the communities we serve. We are dedicated to continuous improvement and collaborating with suppliers to drive out waste and mitigate risk in our supply chains.

Our supplier diversity program is an organizational priority with goals that include:

- Increasing diverse supplier utilization
- Establishing a tier 2 spend program
- Membership and participation in leading diversity organizations and events

Trinity Health is a member of HealthTrust Purchasing Group and founding member of the Healthcare Anchor Network (HAN).

- Diverse suppliers are encouraged to also seek opportunities with HealthTrust.
- HAN is a growing national collaboration of 65+ leading healthcare systems building more inclusive and sustainable local economies.

We are dedicated to advancing business opportunities for minority-owned and women-owned business enterprises that are certified through these organizations:

- National Minority Supplier Development Council (NMSDC)
- Women’s Business Enterprise National Council (WBENC)
