Three Reasons Why You Were Given Top Priority to Be Vaccinated Against COVID-19

1. You are on the front lines and risk being exposed to people with COVID-19 each day on the job.

2. Protecting you also helps protect your patients and your family, especially those who may be at higher risk for severe illness from COVID-19.

3. You matter. And you play an essential role in keeping your community healthy.

Lead the way!
Encourage your coworkers, patients, family and friends to get vaccinated.
