  - CDPHP Customer Connect locations: For the health and safety of our members, all CDPHP Customer Connect locations are closed until further notice.
  - **Prior Authorization Suspensions:** Beginning March 20, 2020, CDPHP is lifting all medical and behavioral health prior authorization requirements. This change is effective for all members, with the exception of self-insured groups. *Consult CDPHP policies and procedures, located on the provider portal, for the guidance on medical necessity requirements during this time. The suspension applies to the following:
    - Scheduled surgeries or hospital admissions.
    - Retrospective review for inpatient hospital services and emergency services at in-network hospitals and payment of claims during the suspension of retrospective review.
    - Hospital discharge planning and preauthorization for home health care and inpatient rehabilitation services following an inpatient stay.
    - Hospital discharge planning and preauthorization for inpatient substance abuse use disorder treatment and inpatient mental health services.
    - Notification requirements for in-network emergency hospital admissions.
  
  **Note:** This change does not apply to pharmacy prior authorizations.
**Utilization Review:** Although prior authorizations requirements have been suspended and services that require care at a Center of Excellence, such as a transplant or out-of-network cancer care you will need to notify the utilization review department.
