Use Find a Doctor to select a primary care physician at bcbsm.com.

Trinity Health Network (PPO) — Tier 1
The Trinity Health Network (PPO) — This tier is comprised of Trinity Health facilities and aligned professional providers. You’ll have the lowest deductible, coinsurance and out-of-pocket maximum amounts when covered services are provided by a Trinity Health network provider.

Physicians can be listed as Tier 1 or Tier 2 depending on the office location, please verify with the physicians office the Tier benefit level.

Trinity Health Network (PPO) — Tier 2
This tier is comprised of doctors and hospitals that are part of Blue Cross’ PPO network and not in Tier 1. These providers have signed an agreement with Blue Cross to accept our approved amount as payment for covered services. When services are performed by PPO in-network providers, you’ll have larger deductible, coinsurance and out-of-pocket-maximum amounts than Tier 1 providers.

If a provider shows as Tier 1 and Tier 2 at the same location, Tier 1 benefits will be applied.

Mayo Clinic and City of Hope Comprehensive and Treatment Centers (formerly Cancer Treatment Centers of America) are not covered providers.

To select a PCP or find a doctor, hospital or other health care provider, follow these steps:

1. Go to bcbsm.com and log in if you’re a member. If you aren’t a member, click Find a Doctor, then click Search without logging in. Skip to Step 5.
2. Hover your mouse over Doctors & Hospitals and click Primary Care Physicians.
3. To select or change a PCP, click Select PCP or Change PCP.
4. PCP results will show based on your address that is registered with BCBSM.
5. If you aren’t a member, enter your location, click All Plans, select Find a Different Plan, then Trinity Health Network (PPO). Click again to confirm your selection. You won’t have to select a PCP until you’re a member.
6. If you would like to search for doctors by name or by specialty, or for places by name or type, click on the dashboard and click on the search you want to perform. When searching by provider name, type the full name in the search box and hit Enter. **Don’t select the name in the drop-down box even if the name appears. It may skew the results.**
7. To select the PCP, click Select PCP under the picture. Please note that mid-level practitioners, such as physician assistants and nurse practitioners, are not selectable as PCPs. If your primary care provider is a mid-level practitioner, select a physician in that practice.
8. Click on the members to select a PCP. Click Change PCP to change.
9. A success message will be displayed. Click Close.
10. Go back to the bcbsm.com page. Click View PCPs to refresh.
