   **The Religious Freedom Protection and Civil Union Act**
   **Effective June 1, 2011**

   The Religious Freedom Protection and Civil Union Act (“the Act”) creates a legal relationship between two persons of the same or opposite sex who form a civil union. The Act provides that the parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Illinois to spouses. The law further provides that a party to a civil union shall be included in any definition or use of the terms “spouse,” “family,” “immediate family,” “dependent,” “next of kin,” and other terms descriptive of spousal relationships as those terms are used throughout Illinois law. This includes the terms “marriage” or “married,” or variations thereon. Insurance policies are required to provide identical benefits and protections to both civil unions and marriages. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of civil unions or same sex civil unions or marriages legally entered into in other jurisdictions.

   For more information regarding the Act, refer to 750 ILCS 75/1 et seq. Examples of the interaction between the Act and existing law can be found in the Illinois Insurance Facts, Civil Unions and Insurance Benefits document available on the Illinois Department of Insurance’s website at www.insurance.illinois.gov.

ELIGIBILITY AND ENROLLMENT

Eligible Persons: Who is eligible for coverage?
All persons in the class or classes shown in the Schedule of Insurance will be considered Eligible Persons.

Eligibility for Coverage: When will I become eligible?
You will become eligible for coverage on the latest of:
1) the Policy Effective Date;
2) the date You become a member of an Eligible Class; or
3) the date You complete the Eligibility Waiting Period for Coverage shown in the Schedule of Insurance, if applicable.

Eligibility for Dependent Coverage: When will I become eligible for Dependent Coverage?
You will become eligible for Dependent coverage on the later of:
1) the date You become eligible for employee coverage; or
2) the date You acquire Your first Dependent.

No person may be insured:
1) as a Dependent and an Active Employee; or
2) as a Dependent of more than one Active Employee;
under The Policy.

**Enrollment:** *How do I enroll for coverage?*

For Non-Contributory Coverage, Your Employer will automatically enroll You for coverage. However, You will be required to complete a beneficiary designation form.

To enroll for Contributory Coverage, You must:
1) complete and sign a group insurance enrollment form which is satisfactory to Us, for Your and Your Dependent's coverage; and
2) deliver it to Your Employer.
You have the option to enroll electronically. Your Employer will provide instructions.

If You do not enroll for Your coverage and/or Your Dependent's coverage within 30 days after becoming eligible under The Policy, or if You were eligible to enroll under the Prior Policy and did not do so, and later choose to enroll You may enroll for Your coverage and/or Your Dependent's coverage only:
1) during an Annual Enrollment Period designated by the Policyholder; or
2) within 30 days of the date You have a Change in Family Status.

Enrollment may be subject to the Evidence of Insurability Requirements provision.

**Evidence of Insurability Requirements:** *When will I first be required to provide Evidence of Insurability?*

We require Evidence of Insurability for initial coverage, if You:
1) enroll more than 30 days after the date You are first eligible to enroll, with the exception of a 1 increment increase within 30 days of the date You were first eligible to enroll; or
2) enroll for an Amount of Life Insurance greater than the Supplemental Guaranteed Issue Amount, regardless of when You enroll for coverage; or
3) were eligible for any coverage under the Prior Policy, but did not enroll and later choose to enroll for that coverage under The Policy, with the exception of a 1 increment increase within 30 days of a Change in Family Status.

If Your Evidence of Insurability is not satisfactory to Us:
1) Your Amount of Life Insurance will equal the amount for which You were eligible without providing Evidence of Insurability, provided You enrolled within 30 days of the date You were first eligible to enroll; and
2) You will not be covered under The Policy if You enrolled more than 30 days after the date You were first eligible to enroll.

**Dependent Evidence of Insurability Requirements:** *When will my Dependents first be required to provide Evidence of Insurability?*

We require Evidence of Insurability, satisfactory to Us, for initial coverage, if You:
1) enroll for Your Dependents' coverage more than 30 days after the date You are first eligible to enroll, including electing initial coverage after a Change in Family Status;
2) enroll for an Amount of Dependent Life Insurance greater than the Supplemental Dependent Guaranteed Issue Amount, regardless of when You enroll for coverage; or
3) were eligible for any coverage under the Prior Policy, but did not enroll and later choose to enroll for that coverage under The Policy.

However, no Evidence of Insurability will be required if the Amount of Life Insurance for Your Dependent Child(ren) is $20,000 or less.

If Your Dependents' Evidence of Insurability is not satisfactory to Us:
1) Your Dependents' Amount of Life Insurance will equal the amount for which Your Dependents were eligible without providing Evidence of Insurability, provided You enrolled Your Dependents within 30 days of the date You were first eligible to enroll;
2) Your Dependents will not be covered under The Policy if You enrolled Your Dependents more than 30 days after the date You were first eligible to enroll.
Evidence of Insurability: What is Evidence of Insurability?
Evidence of Insurability must be satisfactory to Us and may include, but will not be limited to:

1) a completed and signed application approved by Us;
2) a medical examination;
3) an attending Physician’s statement; and
4) any additional information We may require.

Evidence of Insurability will be furnished at Our expense except for Evidence of Insurability due to late enrollment. We will then determine if You or Your Dependents are insurable for initial coverage or an increase in coverage as described in the Increase in Amount of Life Insurance provision.

You will be notified in writing of Our determination of any Evidence of Insurability submission.

Change in Family Status: What constitutes a Change in Family Status?
A Change in Family Status occurs when:

1) You get married or You execute a domestic partner affidavit;
2) You and Your spouse divorce or You terminate a domestic partnership;
3) Your child is born or You adopt or become the legal guardian of a child;
4) Your spouse or domestic partner dies;
5) Your child is no longer financially dependent on You or dies;
6) Your spouse or domestic partner is no longer employed, which results in a loss of group insurance; or
7) You have a change in classification from part-time to full-time or from full-time to part-time.

PERIOD OF COVERAGE

Effective Date: When does my coverage start?
Non-Contributory Coverage will start on the date You become eligible.

Contributory Coverage, for which Evidence of Insurability is not required, will start on the latest to occur of:

1) the date You become eligible, if You enroll on or before that date;
2) the January 1st on or next following the last day of the Annual Enrollment Period, if You enroll during an Annual Enrollment Period; or
3) the date You enroll, if You do so within 30 days from the date You are eligible.

Any coverage for which Evidence of Insurability is required, will become effective on the later of:

1) the date You become eligible; or
2) the date We approve Your Evidence of Insurability.

All Effective Dates of coverage are subject to the Deferred Effective Date provision.

Deferred Effective Date: When will my effective date for coverage or a change in my coverage be deferred?
If, on the date You are to become covered:

1) under The Policy;
2) for increased benefits; or
3) for a new benefit;
You are not Actively at Work due to a physical or mental condition, such coverage will not start until the date You are Actively at Work.

Continuity from a Prior Policy: Is there continuity of coverage from a Prior Policy?
Your initial coverage under The Policy will begin, and will not be deferred if, on the day before the Policy Effective Date, You were insured under the Prior Policy, but on the Policy Effective Date, You were not Actively at Work, and would otherwise meet the Eligibility requirements of The Policy. However, Your Amount of Insurance will be the lesser of the amount of life insurance:

1) You had under the Prior Policy; or
2) shown in the Schedule of Insurance;
reduced by any coverage amount:
1) that is in force, paid or payable under the Prior Policy; or
2) that would have been so payable under the Prior Policy had timely election been made.

Such amount of insurance under this provision is subject to any reductions in The Policy and will not increase.

Coverage provided through this provision ends on the first to occur of:
1) the last day of a period of 12 consecutive months after the Policy Effective Date;
2) the date Your insurance terminates for any reason shown under the Termination provision;
3) the last day You would have been covered under the Prior Policy, had the Prior Policy not terminated; or
4) the date You are Actively at Work.

However, if the coverage provided through this provision ends because You are Actively at Work, You may be covered as an Active Employee under The Policy.

**Dependent Effective Date:** *When does Dependent coverage start?*

Coverage, for which Evidence of Insurability is not required, will start on the latest to occur of:
1) the date You become eligible for Dependent coverage, if You have enrolled on or before that date; or
2) the January 1st on or next following the last day of the Annual Enrollment Period, if You enroll during an Annual Enrollment Period; or
3) the date You enroll, if You do so within 30 days from the date You are eligible for Dependent coverage.

Coverage for which Evidence of Insurability is required, will become effective on the later of:
1) the date You become eligible for Dependent coverage; or
2) the date We approve Your Dependents’ Evidence of Insurability.

In no event will Dependent coverage become effective before You become eligible.

**Dependent Deferred Effective Date:** *When will the effective date for Dependent coverage or a change in coverage be deferred?*

If, on the date Your Dependent, other than a newborn, is to become covered:
1) under The Policy;
2) for increased benefits; or
3) for a new benefit; and
he or she is:
1) confined in a hospital; or
2) Confined Elsewhere;

such coverage will not start until he or she:
1) is discharged from the hospital; or
2) is no longer Confined Elsewhere;

and has engaged in all the normal and customary activities of a person of like age and gender, in good health, for at least 15 consecutive days.

This Deferred Effective Date provision will not apply to disabled children who qualify under the definition of Dependent Child(ren).

**Confined Elsewhere** means Your Dependent is unable to perform, unaided, the normal functions of daily living, or leave home or other place of residence without assistance.

**Dependent Continuity from a Prior Policy:** *Is there continuity of coverage from a Prior Policy for my Dependents?*

If on the day before the Policy Effective Date, You were covered with respect to Your Dependents under the Prior Policy, the Deferred Effective Date provision will not apply to initial coverage under The Policy for such Dependents. However, the Dependent Amount of Insurance will be the lesser of the amount of life insurance:
1) Your Dependents had under the Prior Policy; or
2) shown in the Schedule of Insurance; reduced by any coverage amount:
1) that is in force, paid or payable under the Prior Policy; or
2) that would have been so payable under the Prior Policy had timely election been made.

**Change in Coverage:** *When may I change my coverage or coverage for my Dependents?*

After Your initial enrollment You may increase or decrease coverage for You or Your Dependents, or add a new Dependent to Your existing Dependent coverage:
1) during any Annual Enrollment Period designated by the Policyholder; or
2) within 30 days of the date of a Change in Family Status.

Effective Date for Changes in Coverage: *When will changes in coverage become effective?*

Any decrease in coverage will take effect on the date of the change.

Any increase in coverage will take effect on the latest of:
1) the date of the change;
2) the date requirements of the Deferred Effective Date provision are met;
3) the date Evidence of Insurability is approved, if required; or
4) the January 1st on or next following the last day of the Annual Enrollment Period, except for an increase as a result of a Change in Family Status.

Increase in Amount of Life Insurance: *If I request an increase in the Amount of Life Insurance for myself or my Dependents, must we provide Evidence of Insurability?*

If You or Your Dependents are:
1) already enrolled for an Amount of Supplemental Life Insurance under The Policy, then You and Your Dependents must provide Evidence of Insurability for any increase; or
2) not already enrolled for an Amount of Supplemental Life Insurance under The Policy, You and Your Dependents must provide Evidence of Insurability for any amount of Supplemental Life Insurance coverage including an initial amount.

In any event, if the Amount of Life Insurance You request is greater than the Guaranteed Issue Amount, You or Your Dependents, as applicable, must provide Evidence of Insurability.

If Your Evidence of Insurability is not satisfactory to Us, the Amount of Life Insurance You had in effect on the date immediately prior to the date You requested the increase will not change.

If Your Dependents’ Evidence of Insurability is not satisfactory to Us, the Amount of Life Insurance he or she had in effect on the date immediately prior to the date You requested the increase will not change.

Increase in Amount of Life Insurance: *If my Amount of Life Insurance increases because my Earnings increase, must I provide Evidence of Insurability?*

If Your Amount of Life Insurance is based on a multiple of Your Earnings, You must provide Evidence of Insurability if Your Earnings increase such that Your Amount of Life Insurance is greater than the Guaranteed Issue Amount. An increase in Earnings which causes an increase in Your Amount of Life Insurance will be accompanied by a corresponding increase in the amount of premium due for this coverage.

Once approved, We will not require Evidence of Insurability again if Your Amount of Life Insurance increases solely because Your Earnings increased.

However, if:
1) You do not submit Evidence of Insurability; or
2) Your Evidence of Insurability is not satisfactory to Us,

Your Amount of Life Insurance:
1) will increase, but only up to the amount for which You were eligible without having to provide Evidence of Insurability; and
2) will not increase again, or beyond that amount, until Your Evidence of Insurability is approved.

With respect to Basic Life Insurance:

**Termination: When will my coverage end?**

Your coverage will end on the earliest of the following:

5. the last day of the pay period on or next following the date the Spouse no longer meets the definition of Spouse, or the last day of the calendar year following the date the Dependent Child no longer meets the definition of Dependent Child;

unless continued in accordance with the Continuation Provisions.

**Continuation Provisions:** *Can my coverage and coverage for my Dependents be continued beyond the date it would otherwise terminate?*

Coverage can be continued by Your Employer beyond a date shown in the Termination provision, if Your Employer provides a plan of continuation which applies to all employees the same way.

The amount of continued coverage applicable to You or Your Dependents will be the amount of coverage in effect on the date immediately before coverage would otherwise have ended. Continued coverage:

1. is subject to any reductions in The Policy;
2. is subject to payment of premium;
3. may be continued up to the maximum time shown in the provisions; and
4. terminates if The Policy terminates.

In no event will the amount of insurance increase while coverage is continued in accordance with the following provisions. The Continuation Provisions shown below may not be applied consecutively.

In all other respects, the terms of Your coverage and coverage for Your Dependents remain unchanged.

**Leave of Absence:** If You are on a documented leave of absence, other than Family and Medical Leave or Military Leave of Absence, Your coverage (including Dependent Life coverage) may be continued for 52 week(s) from the date in which the leave of absence commenced. If the leave terminates prior to the agreed upon date, this continuation will cease immediately.

**Military Leave of Absence:** If You enter active full-time military service and are granted a military leave of absence in writing, Your coverage (including Dependent Life coverage) may be continued for up to 52 weeks. If the leave ends prior to the agreed upon date, this continuation will cease immediately.

1. are covered by; and
2. meet the definition of disabled under;

a Group Disability Insurance Policy, issued by Us to Your Employer, Your coverage (including Dependent Life coverage) may be continued until the last day of the 52nd week after the month in which You became disabled, as defined in the Group Disability Insurance Policy.
**Sickness or Injury:** If You are not Actively at Work due to sickness or injury, all of Your coverages (including Dependent Life coverage) may be continued:

1) for a period of 52 consecutive week(s) from the date You were last Actively at Work; or
2) if such absence results in a leave of absence in accordance with state and/or federal family and medical leave laws, then the combined continuation period will not exceed 52 consecutive week(s).

**Family and Medical Leave:** If You are granted a leave of absence, in writing, according to the Family and Medical Leave Act of 1993, or other applicable state or local law, Your coverage(s) (including Dependent Life coverage) may be continued for up to 12 weeks, or 26 weeks if You qualify for Family Military Leave, or longer if required by other applicable law, following the date Your leave commenced. If the leave of absence ends prior to the agreed upon date, this continuation will cease immediately.

With respect to Basic Life Insurance:
**Severance:** If continuation of life insurance is available to You in a severance agreement sponsored by the Employer and Your employment terminates, and/or You are not Actively at Work during the severance consideration period, all of Your coverage may be continued. Your coverage will continue until the earliest of:

1) the date The Policy terminates;
2) the date specified in Your severance agreement; or
3) up to 61 week(s) from the date Your employment terminated.

With respect to Supplemental Life Insurance:
**Severance:** If continuation of life insurance is available to You in a severance agreement sponsored by the Employer and Your employment terminates, and/or You are not Actively at Work during the severance consideration period, all of Your coverage may be continued. Your coverage will continue until the earliest of:

1) the date The Policy terminates;
2) the end of Your severance consideration period ; or
3) up to 9 weeks from the date Your employment terminated.

**Continuation for Dependent Child(ren) with Disabilities:** Will coverage for Dependent Child(ren) with disabilities be continued?
If Your Dependent Child(ren) reach the age at which they would otherwise cease to be a Dependent as defined, and they are:

1) age 26 or older; and
2) disabled; and
3) primarily dependent upon You for financial support;
then Dependent Child(ren) coverage will not terminate solely due to age. However:

1) You must submit proof satisfactory to Us of such Dependent Child(ren)'s disability within 31 days of the date he or she reaches such age; and
2) such Dependent Child(ren) must have become disabled before attaining age 26.

Coverage under The Policy will continue as long as:

1) You remain insured;
2) the child continues to meet the required conditions; and
3) any required premium is paid when due.

However, no increase in the Amount of Life Insurance for such Dependent Child(ren) will be available.

We have the right to require proof, satisfactory to Us, as often as necessary during the first two years of continuation, that the child continues to meet these conditions. We will not require proof more often than once a year after that.

**BENEFITS**

**Life Insurance Benefit:** *When is the Life Insurance Benefit payable?*
If You or Your Dependents die while covered under The Policy, We will pay the deceased person's Life Insurance Benefit after We receive Proof of Loss, in accordance with the Proof of Loss provision.

The Life Insurance Benefit will be paid according to the General Provisions of The Policy.
**Accelerated Benefit:**  What is the benefit?

In the event that You are diagnosed as Terminally Ill while You are:

1) covered under The Policy for an Amount of Life Insurance of at least $10,000; and
2) under age 60;

We will pay the Accelerated Benefit in a lump sum amount as shown below, provided We receive proof of such Terminal Illness.

The Accelerated Benefit will not be available to You unless You have been Actively at Work under The Policy.

You must request in writing that a portion of Your Amount of Life Insurance be paid as an Accelerated Benefit.

The Amount of Life Insurance payable upon Your death will be reduced by any Accelerated Benefit Amount paid under this benefit. Any premium required will be based on the amount of Your life insurance remaining after the Accelerated Benefit is paid under this benefit.

You may request a minimum Accelerated Benefit amount of $3,000, and a maximum of $500,000. However, in no event will the Accelerated Benefit Amount exceed 90% of Your Amount of Life Insurance. This option may be exercised only once.

For example, if You are covered for a Life Insurance Benefit Amount under The Policy of $20,000 and are Terminally Ill, You can request any portion of the Amount of Life Insurance Benefits from $3,000 to $16,000 to be paid now instead of to Your beneficiary upon death. However, if You decide to request only $3,000 now, You cannot request the additional $13,000 in the future.

In the event:

1) You are required by law to accelerate benefits to meet the claims of creditors; or
2) if a government agency requires You to apply for benefits to qualify for a government benefit or entitlement;

You will still be required to satisfy all the terms and conditions herein in order to receive an Accelerated Benefit.

If You have executed an assignment of rights and interest with respect to Your Amount of Life Insurance, in order to receive the Accelerated Benefit, We must receive a release from the assignee before any benefits are payable.

**Terminal Illness or Terminally Ill** means a life expectancy of 12 months or less.

**Proof of Terminal Illness and Examinations:**  Must proof of Terminal Illness be submitted?

We reserve the right to require satisfactory Proof of Terminal Illness on an ongoing basis. Any diagnosis submitted must be provided by a Physician.

If You do not submit proof of Terminal Illness satisfactory to Us, or if You refuse to be examined by a Physician, as We may require, then We will not pay an Accelerated Benefit.

**No Longer Terminally Ill:**  What happens to my coverage if I am no longer Terminally Ill?

If You are diagnosed by a Physician as no longer Terminally Ill and:

1) are in an Eligible Class, coverage will remain in force, provided premium is paid;
2) are not in an Eligible Class, but You continue to meet the definition of Disabled, coverage will remain in force, subject to the Waiver of Premium provision; or
3) are not in an Eligible Class, but You do not continue to meet the definition of Disabled, coverage will end and You may be eligible to exercise the Conversion Right, if You do so within the time limits described in such provision.

In any event, the amount of coverage will be reduced by the Accelerated Benefit paid.

**Conversion Right:** If coverage under The Policy ends, do I have a right to convert?

If Life Insurance coverage or any portion of it under The Policy ends for any reason, except nonpayment of premium, You and Your Dependents may have the right to convert the coverage that terminated to an individual conversion policy without providing Evidence of Insurability. Conversion is not available for any Amount of Life Insurance for which You or Your Dependents were not eligible and covered under The Policy.

If coverage under The Policy ends because:

1) The Policy is terminated; or,
2) coverage for an Eligible Class is terminated;
then You or Your Dependent must have been insured under The Policy for 5 years or more, in order to be eligible to
convert coverage. The amount which may be converted under these circumstances is limited to the lesser of:

1) $10,000; or
2) the Life Insurance Benefit under The Policy less any Amount of Life Insurance for which You or Your Dependent
may become eligible under any group life insurance policy issued or reinstated within 31 days of termination of
group life coverage.

If coverage under The Policy ends for any other reason, except nonpayment of premium, the full amount of coverage
which ended may be converted.

**Insurer**, as used in this provision, means Us or another insurance company which has agreed to issue conversion
policies according to this Conversion Right.

**Conversion:** *How do I convert my coverage or my Dependents' coverage?*
To convert Your coverage or coverage for Your Dependents, You must:

1. complete a Notice of Conversion Right form; and
2. have Your Employer sign the form.

The Insurer must receive this within:

1. 31 days after Life Insurance terminates; or
2. 15 days from the date Your Employer signs the form;

whichever is later. However, We will not accept requests for Conversion if they are received more than 91 days after Life
Insurance terminates.

After the Insurer verifies eligibility for coverage, the Insurer will send You a Conversion Policy proposal. You must:

1. complete and return the request form in the proposal; and
2. pay the required premium for coverage;

within the time period specified in the proposal.

Any individual policy issued to You or Your Dependents under the Conversion Right:

1. will be effective as of the 32nd day after the date coverage ends; and
2. will be in lieu of coverage for this amount under The Policy.

**Conversion Policy Provisions:** *What are the Conversion Policy provisions?*
The Conversion Policy will:

1. be issued on any one of the Life Insurance policy forms the Insurer is issuing for this purpose at the time of
conversion; and
2. base premiums on the Insurer's rates in effect for new applicants of Your class and age at the time of conversion.

The Conversion Policy will not provide:

1. the same terms and conditions of coverage as The Policy;
2. any benefit other than the Life Insurance Benefit; and
3. term insurance.

However, Conversion is not available for any Amount of Life Insurance which was, or is being, continued:

1. under a certificate of insurance issued in accordance with the Portability provision; or
2. in accordance with the Continuation Provisions;

until such coverage ends.

**Death within the Conversion Period:** *What if I or my Dependents die before coverage is converted?*
We will pay the deceased person's Amount of Life Insurance You would have had had the right to apply for under this
provision if:

1. coverage under The Policy terminates; and
2. You or Your Dependent die within 31 days of the date coverage terminates; and
3. We receive Proof of Loss.

If the Conversion Policy has already taken effect, no Life Insurance Benefit will be payable under The Policy for the
amount converted.

**Portability Benefits:** *What is Portability?*
Portability is a provision which allows You and Your Dependents to continue coverage under a group Portability policy
when coverage would otherwise end due to certain Qualifying Events.
**Qualifying Events:** What are Qualifying Events?

Qualifying Events for You are:
1) Your employment terminates for any reason prior to Normal Retirement Age; or
2) Your membership in an Eligible Class under The Policy ends;
   provided the Qualifying Event occurs prior to Normal Retirement Age.

Qualifying Events for Your Dependents are:
1) Your employment terminates, for any reason prior to Normal Retirement Age;
2) Your death;
3) Your membership in a class eligible for Dependent coverage ends; or
4) He or she no longer meets the definition of Dependent, however, a Dependent Child(ren) who reaches the
   limiting age under The Policy is not eligible for Portability;
   provided the Qualifying Event occurs prior to Normal Retirement Age.

In order for Dependent Child(ren) coverage to be continued under this provision, You or Your Spouse must elect to
continue coverage due to your own Qualifying Event.

**E lecting Portability:** How do I elect Portability?

You may elect Portability for Your coverage after Your Basic and Supplemental Life Insurance coverage ends due to a
Qualifying Event. You may also elect Portability for Your Dependent coverage if Your Dependent coverage ends due to a
Qualifying Event. The Policy must still be in force in order for Portability to be available.

To elect Portability for You or Your Dependents, You must:
1) complete and have Your Employer sign a Portability application; and
2) submit the application to Us, with the required premium.

This must be received within:
1) 31 days after Life Insurance terminates; or
2) 15 days from the date Your Employer signs the application;
whichever is later. However, Portability requests will not be accepted if they are received more than 91 days after Life
Insurance terminates.

After We verify eligibility for coverage, We will issue a certificate of insurance under a Portability policy. The Portability
coverage will be:
1) issued without Evidence of Insurability;
2) issued on one of the forms then being issued by Us for Portability purposes; and
3) effective on the day following the date Your or Your Dependent’s coverage ends.

The terms and conditions of coverage under the Portability policy will not be the same terms and conditions that are
applicable to coverage under The Policy.

**Limitations:** What limitations apply to this benefit?

You may elect to continue 50%, 75%, or 100% of the Amount of Life Insurance which is ending for You or Your
Dependent. This amount will be rounded to the next higher multiple of $1,000, if not already a multiple of $1,000.
However, the Amount of Life Insurance that may be continued will not exceed:
1) $1,000,000 for You;
2) $100,000 for Your Spouse; or
3) $20,000 for Your Dependent Child(ren).

If You elect to continue 50% or 75% now, You may not continue any portion of the remaining amount under this Portability
provision at a later date. In no event will You or Your Dependents be able to continue an Amount of Life Insurance which
is less than $5,000.

Portability is not available for any Amount of Life Insurance for which You or Your Dependents were not eligible and
covered.

In addition Portability is not available if You or Your Dependents are entering active military service.

**Effect of Portability on Other Provisions:** How does Portability affect other Provisions?
Portability is not available for any Amount of Life Insurance that You have exercised under the Conversion Right. Portability is also not available to You while Your coverage is being continued under a Continuation Provision under The Policy. However, if:

1) You elect to continue only a portion of terminated coverage under this Portability Benefit; or
2) the Amount of Life Insurance exceeds the maximum Portability amount;
then the Conversion Right may be available for the remaining amount.

Payment to any person, as shown above, will release us from liability for the amount paid.

1. you, if living; or
2. your beneficiary, in the event of your death.

However, an account will not be established for:

1. a benefit payable to your estate; or
2. an amount that is less than $10,000.

We will make any payments, other than for loss of life, to you. We may make any such payments owed at your death to your estate. If any payment is owed to:

1. your estate;
2. a person who is a minor; or
3. a person who is not legally competent,
then we may pay up to $1,000 to a person who is related to you and who, at our sole discretion, is entitled to it. Any such payment shall fulfill our responsibility for the amount paid.

**Beneficiary Designation:** How do I designate or change my beneficiary?

You may designate or change a beneficiary by doing so in writing on a form satisfactory to us and filing the form with the employer. Only satisfactory forms sent to the employer prior to your death will be accepted.

In no event may a beneficiary be changed by a power of attorney.

We will respond in writing with Our final decision on the claim.

provisions of The Policy. This provision applies where the interpretation of The Policy is governed by the Employee

**Incontestability:** *When can the Life Insurance Benefit of The Policy be contested?*
Except for non-payment of premiums, Your or Your Dependent's Life Insurance Benefit cannot be contested after two
years from its effective date.

In the absence of fraud, no statement made by You or Your Spouse relating to Your or Your Spouse's insurability will be
used to contest Your insurance for which the statement was made after Your insurance has been in force for two years.
In order to be used, the statement must be in writing and signed by You and Your Spouse.

No statement made relating to Your Dependents being insurable will be used to contest their insurance for which the
statement was made after their insurance has been in force for two years. In order to be used, the statement must be in
writing and signed by You or Your representative.

All statements made by the Policyholder, the Employer or You or Your Spouse under The Policy will be deemed

You do not have the right to collaterally assign Your rights and interest under The Policy.

**Legal Actions:** *When can legal action be taken against Us?*
Legal action cannot be taken against Us:
1) sooner than 60 days after the date written Proof of Loss is furnished; or
2) more than 6 years after the date Proof of Loss is required to be furnished according to the terms of The Policy.

**Workers' Compensation:** *How does The Policy affect Workers' Compensation coverage?*
The Policy does not replace Workers' Compensation or affect any requirement for Workers' Compensation coverage.
Insurance Fraud: *How does the Company deal with fraud?*

Insurance fraud occurs when You, Your Dependents and/or the Employer provide Us with false information or file a claim for benefits that contains any false, incomplete or misleading information with the intent to injure, defraud or deceive Us. It is a crime if You, Your Dependents and/or the Employer commit insurance fraud. We will use all means available to Us to detect, investigate, deter and prosecute those who commit insurance fraud. We will pursue all available legal remedies if You, Your Dependents and/or the Employer perpetrate insurance fraud.

**Misstatements: What happens if facts are misstated?**

NOTICE OF PROTECTION PROVIDED BY THE
INDIANA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

This notice provides a brief summary of the Indiana Life and Health Insurance Guaranty Association ("ILHIGA") and the protection it provides for policyholders. This safety net was created under Indiana law, which determines who and what is covered and the amounts of coverage.

ILHIGA was established to provide protection to policyholders in the unlikely event that your life, annuity or health insurance company becomes financially unable to meet its obligations and is taken over by its insurance department. If this should happen, ILHIGA will typically arrange to continue coverage and pay claims, in accordance with Indiana law, with funding from assessments paid by other insurance companies. (For the purposes of this Notice, the terms "insurance company" and "insurer" mean and include health maintenance organizations ("HMOs").

Basic Protections Currently Provided by ILHIGA
Generally, an individual is covered by ILHIGA if the insurer was a member of ILHIGA and the individual lives in Indiana at the time the insurer is ordered into liquidation with a finding of insolvency. The coverage limits below apply only for companies placed in rehabilitation or liquidation on or after January 1, 2018. The benefits that ILHIGA is obligated to cover are not to exceed the lesser of (a) the contractual obligations for which the member insurer is liable or would have been liable if the member insurer were not an insolvent insurer, or (b) the limits indicated below:

Life Insurance
- $300,000 in death benefits
- $100,000 in cash surrender or withdrawal values

Health Insurance
- $500,000 for health plan benefits (see definition below)
- $300,000 in disability and long term care insurance benefits
- $100,000 in other types of health insurance benefits

Annuities
- $250,000 in present value of annuity benefits (including cash surrender and net cash withdrawal values or withdrawal values)

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is $300,000. Special rules may apply with regard to health benefit plans and covered unallocated annuities.

"Health benefit plan" is defined in IC 27-8-8-2(o), and generally includes hospital or medical expense policies, certificates, HMO subscriber contracts or certificates or other similar health contracts that provide comprehensive forms of coverage for hospitalization or medical services, but excludes policies that provide coverages for limited benefits (such as accident only, credit, dental only or vision-only insurance), Medicare Supplement insurance, disability income and long-term care insurance.

The protections listed above apply only to the extent that benefits are payable under covered policy(s). In no event will the ILHIGA provide benefits greater than the contractual obligations in the life, annuity, or health insurance policy or contract. The statutory limits on ILHIGA coverage have changed over the years and coverage in prior years may not be the same as that set forth in this Notice.

Benefits provided by long-term care (LTC) rider to a life insurance policy or annuity contract shall be considered the same type of benefits as the base life insurance policy or annuity to which it relates.

To learn more about the protections provided by ILHIGA, please visit the ILHIGA website at www.inlifega.org or contact:

The policy or contract that this notice accompanies might not be fully covered by ILHIGA and even if coverage is currently provided, coverage is (a) subject to substantial limitations and exclusions (some of which are
described above), (b) generally conditioned on continued residence in Indiana, and (c) subject to possible change as a result of future amendments to Indiana law and court decisions.

Complaints to allege a violation of any provision of the Indiana Life and Health Insurance Guaranty Association Act must be filed with the Indiana Department of Insurance, 311 W. Washington Street, Suite 103, Indianapolis, IN 46204; (telephone) 317-232-2385.

Insurance companies and agents are not allowed by Indiana law to use the existence of ILHIGA or its coverage to encourage you to purchase any form of insurance or HMO coverage. (IC 27-8-8-18(a)). When selecting an insurance company, you should not rely on ILHIGA coverage. If there is any inconsistency between this notice and Indiana law, Indiana law will control.

Questions regarding the financial condition of a company or your life, health insurance policy or annuity should be directed to your insurance company or agent.

   **STATE OF ILLINOIS**
   **The Religious Freedom Protection and Civil Union Act**
   **Effective June 1, 2011**

   The Religious Freedom Protection and Civil Union Act (“the Act”) creates a legal relationship between two persons of the same or opposite sex who form a civil union. The Act provides that the parties to a civil union are entitled to the same legal obligations, responsibilities, protections and benefits that are afforded or recognized by the laws of Illinois to spouses. The law further provides that a party to a civil union shall be included in any definition or use of the terms “spouse,” “family,” “immediate family,” “dependent,” “next of kin,” and other terms descriptive of spousal relationships as those terms are used throughout Illinois law. This includes the terms “marriage” or “married,” or variations thereon. Insurance policies are required to provide identical benefits and protections to both civil unions and marriages. If policies of insurance provide coverage for children, the children of civil unions must also be provided coverage. The Act also requires recognition of civil unions or same sex civil unions or marriages legally entered into in other jurisdictions.

   For more information regarding the Act, refer to 750 ILCS 75/1 et seq. Examples of the interaction between the Act and existing law can be found in the Illinois Insurance Facts, Civil Unions and Insurance Benefits document available on the Illinois Department of Insurance’s website at www.insurance.illinois.gov.

Vermont:

1. **Purpose:** Vermont law requires that health insurers offer coverage to parties to a civil union that is equivalent to coverage provided to married persons.

   **Definitions, Terms, Conditions and Provisions:** The definitions, terms, conditions or any other provisions of the policy, contract, certificate and/or riders and are hereby superseded as follows:
   a) Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as "marriage", "spouse", "husband", "wife", "dependent", "next of kin", "relative", "beneficiary", "survivor", "immediate family" and any other such terms, include the relationship created by a civil union established according to Vermont law.
   b) Terms that mean or refer to the inception or dissolution of a marriage, such as "date of marriage", "termination of marriage" and any other such terms include the inception or dissolution of a civil union established according to Vermont law.
   c) Terms that mean or refer to family relationships arising from a marriage, such as "family", "immediate family", "dependent", "children", "next of kin", "relative", "beneficiary", "survivor" and any other such terms include family relationships created by a civil union established according to Vermont law.
   d) "Dependent" means a spouse, a party to a civil union established according to Vermont law, and a child or children (natural, stepchild, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.
   e) "Child or covered child" means a child (natural, step-child, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.

**CAUTION: FEDERAL LAW RIGHTS MAY OR MAY NOT BE AVAILABLE**

Vermont law grants parties to a civil union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to parties to a civil union. For example, federal law, the Employee Income Retirement Security Act of 1974 known as "ERISA", controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer health benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer’s enrollment of a party to a civil union in an ERISA employee welfare benefit plan. However, governmental employers (not federal government) are required to provide health benefits to the dependents of a party to a civil union if the public employer provides health benefits to the dependents of married persons. Federal law also controls group health insurance continuation rights under COBRA for employers with 20 or
more employees as well as the Internal Revenue Code treatment of health insurance premiums. As a result, parties to a civil union and their families may or may not have access to certain benefits under the policy, contract, certificate, rider or endorsement that derive from federal law. You are advised to seek expert advice to determine your rights under this contract.

The Plan has granted the Insurance Company full discretion and authority to determine eligibility for benefits and to construe and interpret all terms and provisions of the Policy, to the extent permitted by applicable state law.

STATEMENT OF ERISA RIGHTS

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA), as amended. ERISA provides that all Plan participants shall be entitled to:

1. Receive Information About Your Plan and Benefits

a) Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

b) Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary Plan description. The administrator may make a reasonable charge for the copies.

c) Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

2. Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants ERISA imposes duties upon the people who are responsible for the operation of the employee benefit Plan. The people who operate your Plan, called “fiduciaries” of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

3. Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to $110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If the Plan requires you to complete administrative appeals prior to filing in court, your right to file suit in state or Federal court may be affected if you do not complete the required appeals. If it should happen that Plan fiduciaries misuse the Plan’s money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

4. Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration (formerly known as the Pension and Welfare Benefits Administration), U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

CLAIM PROCEDURES

The Plan has designated and named the Insurance Company as the claims fiduciary for benefits provided under the Policy. The Plan has granted the Insurance Company full discretion and authority to determine eligibility for benefits and to construe and interpret all terms and provisions of the Policy, to the extent permitted by applicable state law.

Claim Procedures for Claims Requiring a Determination of Disability
Claims and appeals for disability benefits will be adjudicated in a manner designed to ensure the independence and impartiality of the persons involved in making the decision. Accordingly, decisions regarding hiring, compensation, termination, promotion or other similar matters with respect to any individual (such as a claims adjudicator or medical or vocational expert) shall not be made based upon the likelihood that the individual will support the denial of benefits.

If the Insurance Company fails to strictly adhere to all the requirements of ERISA with respect to a claim, you are deemed to have exhausted the administrative remedies available under the Plan, with certain exceptions. Accordingly, you are entitled to bring a civil action to pursue any available remedies under section 502(a) of ERISA on the basis that the Insurance Company has failed to provide a reasonable claims procedure that would yield a decision on the merits of the claim. If you choose to bring a civil action to pursue remedies under section 502(a) of ERISA under such circumstances, your claim or appeal is deemed denied on review without the exercise of discretion by an appropriate fiduciary. However, the administrative remedies available under the Plan will not be deemed exhausted based on de minimis violations that do not cause, and are not likely to cause, prejudice or harm to you so long as the Insurance Company demonstrates that the violation was for good cause or due to matters beyond the control of the Insurance Company and that the violation occurred in the context of an ongoing, good faith exchange of information between the Insurance Company and you. This exception is not available if the violation is part of a pattern or practice of violations by the Insurance Company. Before filing a civil action, you may request a written explanation of the violation from the Insurance Company, and the Insurance Company must provide such explanation within 10 days, including a specific description of its bases, if any, for asserting that the violation should not cause the administrative remedies available under the Plan to be deemed exhausted. If a court rejects your request for immediate review on the basis that the Insurance Company met the standards for the exception, your claim shall be considered as re-filed on appeal upon the Insurance Company’s receipt of the decision of the court. Within a reasonable time after the receipt of the decision, the Insurance Company shall provide you with notice of the resubmission.

Claims for Benefits

If you or your authorized representative would like to file a claim for benefits for yourself or your insured dependents, you or your authorized representative should obtain a claim form(s) from your Employer or Plan Administrator. The applicable section of such form(s) must be completed by (1) you, (2) the Employer or Plan Administrator and (3) the attending physician or hospital. Following completion, the claim form(s) must be forwarded to the Insurance Company’s claim representative. The Insurance Company will evaluate your claim and determine if benefits are payable.

The Insurance Company will make a decision no more than 45 days after receipt of your properly filed claim. The time for decision may be extended for two additional 30 day periods provided that, prior to any extension period, the Insurance Company notifies you in writing that an extension is necessary due to matters beyond the control of the Insurance Company, identifies those matters and gives the date by which it expects to render its decision. If your claim is extended due to your failure to submit information necessary to decide your claim, the time for decision may be tolled from the date on which the notification of the extension is sent to you until the date the Insurance Company receives your response to our request. If the Insurance Company approves your claim, the decision will contain information sufficient to reasonably inform you of that decision.

Any adverse benefit determination will be in writing and include: 1) the specific reason or reasons for the decision; 2) specific references to the Policy provisions on which the decision is based; 3) a description of any additional material or information necessary for you to perfect the claim and an explanation of why such material or information is necessary; 4) a description of the Insurance Company’s review procedures and time limits applicable to such procedures; 5) a statement that you have the right to bring a civil action under section 502(a) of ERISA after you appeal the decision and after you receive a written denial on appeal; 6) a discussion of the decision, including an explanation of the basis for disagreeing with or not following: (a) the views presented by you to the Insurance Company of health care professionals treating you and vocational professionals who evaluated you, (b) the views of medical or vocational experts whose advice was obtained on behalf of the Insurance Company in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the benefit determination, and (c) a disability determination regarding you presented by you to the Insurance Company made by the Social Security Administration; 7) if the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to your medical circumstances, or a statement that such explanation will be provided free of charge upon request; 8) either the specific internal rules, guidelines, protocols, standards or other similar criteria of the Insurance Company relied upon in making the adverse determination or, alternatively, a statement that such rules, guidelines, protocols, standards or other similar criteria of the Insurance Company do not exist; 9) a statement that you are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to your claim for benefits; and
Appealing Denials of Claims for Benefits

On any wholly or partially denied claim, you or your representative must appeal once to the Insurance Company for a full and fair review. You must complete this claim appeal process before you file an action in court, with the exception of an action under the deemed exhausted process described above. Your appeal request must be in writing and be received by the Insurance Company no later than the expiration of 180 days from the date you received your claim denial. As part of your appeal:

1. you may request, free of charge, copies of all documents, records, and other information relevant to your claim; and
2. you may submit written comments, documents, records and other information relating to your claim.

The Insurance Company’s review on appeal shall take into account all comments, documents, records and other information submitted by you relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

Before the Insurance Company can issue an adverse benefit determination on review, the Insurance Company shall provide you, free of charge, with any new or additional evidence considered, relied upon, or generated by the Insurance Company (or at the direction of the Insurance Company) in connection with the claim; such evidence must be provided as soon as possible and sufficiently in advance of the date on which the notice of adverse benefit determination on review is required to be provided to give you a reasonable opportunity to respond prior to that date.

Before the Insurance Company can issue an adverse benefit determination on review based on a new or additional rationale, the insurance company shall provide you, free of charge, with the rationale; the rationale must be provided as soon as possible and sufficiently in advance of the date on which the notice of adverse benefit determination on review is required to be provided to give you a reasonable opportunity to respond prior to that date.

The Insurance Company will make a final decision no more than 45 days after it receives your timely appeal. The time for final decision may be extended for one additional 45 day period provided that, prior to the extension, the Insurance Company notifies you in writing that an extension is necessary due to special circumstances, identifies those circumstances and gives the date by which it expects to render its decision. If your claim is extended due to your failure to submit information necessary to decide your claim on appeal, the time for decision shall be tolled from the date on which the notification of the extension is sent to you until the date the Insurance Company receives your response to the request. The Insurance Company may also toll the time for a decision to allow you a reasonable opportunity to respond to new or additional evidence or a new or additional rationale. Tolling will begin on the date that the Insurance Company provides you with new or additional evidence or a new or additional rationale, and end when the Insurance Company receives the response or on the date by which the Insurance Company has requested a response, whichever comes first.

The individual reviewing your appeal shall give no deference to the initial benefit decision and shall be an individual who is neither the individual who made the initial benefit decision, nor the subordinate of such individual. The review process provides for the identification of the medical or vocational experts whose advice was obtained in connection with an initial adverse decision, without regard to whether that advice was relied upon in making that decision. When deciding an appeal that is based in whole or part on medical judgment, the Insurance Company will consult with a medical professional having the appropriate training and experience in the field of medicine involved in the medical judgment and who is neither an individual consulted in connection with the initial benefit decision, nor a subordinate of such individual. If the Insurance Company grants your claim appeal, the decision will contain information sufficient to reasonably inform you of that decision.

Before the Insurance Company can issue an adverse benefit determination on review, the Insurance Company shall provide you, free of charge, with any new or additional evidence considered, relied upon, or generated by the Insurance Company in connection with the claim; such evidence must be provided as soon as possible and sufficiently in advance of the date on which the notification of the extension is sent to you until the date the Insurance Company receives your response to the request. The Insurance Company may also toll the time for a decision to allow you a reasonable opportunity to respond to new or additional evidence or a new or additional rationale. Tolling will begin on the date that the Insurance Company provides you with new or additional evidence or a new or additional rationale, and end when the Insurance Company receives the response or on the date by which the Insurance Company has requested a response, whichever comes first.

The individual reviewing your appeal shall give no deference to the initial benefit decision and shall be an individual who is neither the individual who made the initial benefit decision, nor the subordinate of such individual. The review process provides for the identification of the medical or vocational experts whose advice was obtained in connection with an initial adverse decision, without regard to whether that advice was relied upon in making that decision. When deciding an appeal that is based in whole or part on medical judgment, the Insurance Company will consult with a medical professional having the appropriate training and experience in the field of medicine involved in the medical judgment and who is neither an individual consulted in connection with the initial benefit decision, nor a subordinate of such individual. If the Insurance Company grants your claim appeal, the decision will contain information sufficient to reasonably inform you of that decision.

However, any final adverse benefit determination on review will be in writing and include: 1) the specific reason or reasons for the decision; 2) specific references to the Policy provisions on which the decision is based; 3) a statement that you are entitled to receive, upon request and free of charge, copies of all documents, records, and other information relevant to your claim; 4) a statement (a) that you have the right to bring a civil action under section 502(a) of ERISA, and (b) describing any applicable contractual limitations period that applies to your right to bring such an action, including the calendar date on which the contractual limitations period expires for the claim; 5) a discussion of the decision, including an explanation of the basis for disagreeing with or not following: (a) the views presented by you to the Insurance Company of health care professionals treating you and vocational professionals who evaluated you, (b) the views of medical or vocational experts whose advice was obtained on behalf of the Insurance Company in connection with the adverse benefit determination, without regard to whether the advice was relied upon in making the benefit determination, and (c) a
disability determination regarding you presented by you to the Social Security Administration; 6) if the adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to your medical circumstances, or a statement that such explanation will be provided free of charge upon request; 7) either the specific internal rules, guidelines, protocols, standards or other similar criteria of the Insurance Company relied upon in making the adverse determination or, alternatively, a statement that such rules, guidelines, protocols, standards or other similar criteria of the Plan do not exist; 8) a statement prominently displayed in any applicable non-English language clearly indicating how to access the language services provided by the Insurance Company; and 9) any other notice(s), statement(s) or information required by applicable law.

Claim Procedures for Claims Not Requiring a Determination of Disability

Claims and appeals for benefits will be adjudicated in a manner designed to ensure the independence and impartiality of the persons involved in making the decision. Accordingly, decisions regarding hiring, compensation, termination, promotion or other similar matters with respect to any individual (such as a claims adjudicator or medical expert) shall not be made based upon the likelihood that the individual will support the denial of benefits.

Claims for Benefits

If you or your authorized representative would like to file a claim for benefits for yourself or your insured dependents, you or your authorized representative should obtain a claim form(s) from your Employer or Plan Administrator. The applicable section of such form(s) must be completed by (1) you, (2) the Employer or Plan Administrator and (3) the attending physician or hospital. Following completion, the claim form(s) must be forwarded to the Insurance Company’s claim representative. The Insurance Company will evaluate your claim and determine if benefits are payable.

The Insurance Company will make a decision no more than 90 days after receipt of your properly filed claim. However, if the Insurance Company determines that special circumstances require an extension, the time for its decision will be extended for an additional 90 days, provided that, prior to the beginning of the extension period, the Insurance Company notifies you in writing of the special circumstances and gives the date by which it expects to render its decision. If extended, a decision shall be made no more than 180 days after your claim was received. If the Insurance Company approves your claim, the decision will contain information sufficient to reasonably inform you of that decision.

However, any adverse benefit determination will be in writing and include: 1) specific reasons for the decision; 2) specific references to Policy provisions on which the decision is based; 3) a description of any additional material or information necessary for you to perfect the claim and an explanation of why such material or information is necessary; 4) a description of the review procedures and time limits applicable to such, and 5) a statement that you have the right to bring a civil action under section 502(a) of ERISA after you appeal our decision and after you receive a written denial on appeal.

Appealing Denials of Claims for Benefits

On any wholly or partially denied claim, you or your representative must appeal once to the Insurance Company for a full and fair review. You must complete this claim appeal process before you file an action in court. Your appeal request must be in writing and be received by the Insurance Company no later than the expiration of 60 days from the date you received your claim denial. As part of your appeal:

1. you may request, free of charge, copies of all documents, records, and other information relevant to your claim; and
2. you may submit written comments, documents, records and other information relating to your claim.

The Insurance Company’s review on appeal shall take into account all comments, documents, records and other information submitted by you relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination.

The Insurance Company will make a final decision no more than 60 days after it receives your timely appeal. However, if the Insurance Company determines that special circumstances require an extension, the time for its decision will be extended for an additional 60 days, provided that, prior to the beginning of the extension period, the Insurance Company notifies you in writing of the special circumstances and gives the date by which it expects to render its decision. If extended, a decision shall be made no more than 120 days after your appeal was received. If the Insurance Company grants your claim appeal, the decision will contain information sufficient to reasonably inform you of that decision.
However, any final adverse benefit determination on review will be in writing and include: 1) specific reasons for the decision and specific references to the Policy provisions on which the decision is based, 2) a statement that you are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the claim, 3) a statement of your right to bring a civil action under section 502(a) of ERISA, and 4) any other notice(s), statement(s) or information required by applicable law.
