This Summary of Material Modifications (“SMM”) describes changes to the Northeast Health Employer Retirement Plan (“Northeast Health Plan”) effective October 31, 2016. This SMM modifies and revises the Northeast Health Employer Retirement Plan Summary Plan Description (“SPD”).

**Plan Name Change and Plan Mergers**

Effective as of October 31, 2016, Trinity Health Corporation (“Trinity Health”) became the sponsor of the Collaborative Laboratory Services Retirement Plan (“Plan”) and the name of the Plan was changed to “Trinity Health ERISA Pension Plan.” In addition, effective October 31, 2016, the Northeast Health Plan was merged into the Plan. Accordingly, benefits under the Northeast Health Plan are now provided under the Plan.

The merger of the Northeast Health Plan into the Plan WILL NOT affect the amount of the benefit you earned under the Northeast Health Plan (your “Northeast Health Accrued Benefit”). Participation in the Plan and benefit accruals under the Plan are frozen, including your Northeast Health Accrued Benefit. However, if your Northeast Health Accrued Benefit includes a cash balance benefit, interest credits will continue to be made to that cash balance benefit. Please see the SPD for additional information regarding your Northeast Health Accrued Benefit under the Plan.

Please note that participation in and accruals under the Northeast Health Plan froze effective June 30, 2012. Accordingly, no employee could become a participant (and no rehired employee could recommence active participation) in the Northeast Health Plan after June 30, 2012, and a participant could not earn any additional benefit under the Northeast Health Plan after June 30, 2012. However, the portion of a participant’s Northeast Health Accrued Benefit that is a cash balance benefit will continue to be credited with interest credits in accordance with the terms of the Plan.

**Normal Retirement Date**

Your “normal retirement date” is the first day of the month coinciding with or next following the date on which you attain your “normal retirement age.” Your “normal retirement age” is the later of (i) the date you attain age 65, or (ii) the third anniversary of the date you commenced participation in the Plan.

**Small Benefits**

If the lump sum present value of your entire vested Plan benefit (including your Northeast Health Accrued Benefit and your benefit under the Collaborative Laboratory Services Retirement Plan, which became the Plan, and your benefit under the St. Joseph’s Hospital Health Center Pension Plan and Gottlieb Memorial Hospital Employees Pension Plan that were merged into the Plan, if any) is $5,000 or less, after your employment with Trinity Health and all of its affiliates, including the participating employers in the Plan, terminates, and the lump sum present value of your vested Northeast Health Accrued Benefit is $5,000 or less when you commence payment of this benefit, you will receive your vested Northeast Health Accrued Benefit in the form of one lump sum payment. In addition, if the lump sum present value of your entire vested Plan benefit
is greater than $5,000 but less than or equal to $15,000, your vested Northeast Health Accrued Benefit is available in the form of a single lump sum payment.

**Electing Payment**

If your Plan benefit includes a Northeast Health Accrued Benefit and a benefit under the Collaborative Laboratory Services Retirement Plan, which became the Plan, or the St. Joseph’s Hospital Health Center Pension Plan or Gottlieb Memorial Hospital Employees Pension Plan that were merged into the Plan, you must make a separate distribution election with respect to each such portion of your vested Plan benefit.

**Amendment or Termination of the Plan**

Trinity Health intends to continue the Plan indefinitely, but reserves the right to amend, modify, suspend or terminate the Plan, in whole or in part, at any time, without the consent of the participating employers, participants, spouses, beneficiaries, contingent beneficiaries or any person or persons claiming through them. An amendment, modification, suspension or termination of the Plan may be made for any reason and may, in certain circumstances, result in the reduction or elimination of benefits or other features of the Plan to the extent allowed by law.

If the Plan is wholly or partially terminated and you are a Trinity Health colleague at the time of the termination, you will become fully vested in the benefits you earned as of the date of Plan termination, and distributions will be made in accordance with the provisions of the Plan.

In addition to Trinity Health’s ability to amend the Plan, the Trinity Health Benefits Committee (“Benefits Committee”), Administrator and Executive Leadership Team (“ELT”) of Trinity Health have the right, at any time, without the consent of the participating employers, participants, spouses, beneficiaries, contingent beneficiaries or any person or persons claiming through them, to modify or amend, any or all of the provisions of the Plan if the amendment does not (i) have a material adverse financial impact on the Plan or the participating employers, (ii) materially expand the authority of the Benefits Committee, Administrator and ELT, respectively, or decrease the authority of the Board of Directors of Trinity Health, or (iii) materially change or increase the benefits provided under the Plan. Material amendments must be approved by the Board of Directors of Trinity Health.

The Plan may not be modified or amended simply by representations, oral or otherwise, that may be made to you concerning the Plan. Accordingly, you should not consider the Plan to have been amended based on assertions made by a supervisor or a Human Resources representative, for instance. If you received information that is contrary to the terms of the Plan, please contact the Plan Administrator for clarification or confirmation.

The formal Plan documents are the only sources upon which you may properly rely to determine your benefits and rights under the Plan. The Plan has changed several times over the years and may be amended again in the future. The Plan may only be amended in writing and may not be modified or amended simply by representations, oral or otherwise, that may be made to you concerning the Plan. Accordingly, you should not consider the Plan to have been amended based on assertions made by a supervisor or a Benefits Department representative, for instance. Your rights are generally determined by the terms of the Plan in effect at the time you terminate employment. At any time, you may review or obtain a copy of the current Plan documents, or a previous Plan document if relevant to you. To do so, contact the Trinity Health Pension Plan Office at 734.343.1000 or 800.793.4733 or the Northeast Health Plan Recordkeeper at 847.592.6641. Although a Benefits Department representative will help you obtain information about the Plan, they cannot make a binding determination as to your rights or benefits under the Plan.
