   - The **Grand Haven** tuition reimbursement is currently administered locally by **Educational Reimbursement Fund Program**. Colleagues may continue to apply for this program using the current process through **December 18, 2023**.    - Course Name(s)

7. What type of paperwork do I need to submit with my reimbursement request?

You will need to submit the below information within 60 days after the term end date in ONE packet:

- Proof of passing grades (make sure the document has a school identifier on it, your name and course names, along with your grades)
- Itemized receipt indicating the difference between tuition and fees
- Proof of payment (must show that you paid the amount you are requesting reimbursement for) (Deferral agreement OR proof you have paid your institution prior to requesting reimbursement)

8. Is there a deadline for submission of my request for tuition reimbursement?

Yes. Applications requests must be received no earlier than 120 days prior to the term (also known as semester) start date and no later than 30 days after the term start date. Note that a failure to submit your application request within this timeframe will result in a rejection.

All appropriate reimbursement documentation must be submitted within 60 days after the term end date noted on your application for reimbursement. Failure to submit within 60 days from your course term end date will result in a rejection.

9. If I am participating in tuition reimbursement, may I apply for more than one course at a time?

Yes. You can apply for up to four classes or courses per application. This is strongly recommended if all your courses are being taken during the same term.

10. Am I able to track the status of my application/reimbursement request?

Yes. The Trinity Health Tuition Reimbursement website has a special tracking website – TrackMyStatus.com – that enables you to track the status of your application and payment requests. To access the site, you will need the unique 16-digit tracking number assigned to your application.

You can also track the progress of your application or request within your Trinity Health Tuition Reimbursement website account. If you need additional assistance, please call 1-844-344-2716 to speak with a Tuition Reimbursement representative between 8 a.m. and 8 p.m. ET Monday – Friday.

11. How do I increase the chance of my Reimbursement being approved?

Follow these guidelines:

- The number one reason for rejections is missing paperwork. Read your program requirements and have access to all necessary documentation before starting your reimbursement process.
- Submit all your documentation at one time. Each packet needs to be complete. Edcor will not accept piece mail.
• Use the upload feature on the website to submit files instead of the fax options. Fax machines can be unreliable.

• If uploading on the website (preferred method), please note the following:
  o Use dark, clean copies of your paperwork. Illegible documents cannot be processed.
  o Do not highlight anything on your documents.
  o Make sure you upload the appropriate type of files. Follow the detailed instructions on the upload screen. Read these prior to uploading files.

• If you must use a fax machine, please note the following:
  o Use the provided cover sheet (available on the website). This ensures that YOUR paperwork accompanies YOUR application.
  o Use dark, clean copies of your paperwork. Illegible documents cannot be processed.
  o Do not highlight anything on your documents. When faxing, this will render your documents illegible.
  o Make sure you are faxing your documents in portrait mode and with standard 8.5” wide x 11” long papers.

12. How do I know if my school is accredited for tuition reimbursement?

Accreditation is a status granted to educational institutions found to either meet or exceed academic quality standards established by an accrediting agency through an assessment process. In accordance with the Trinity Health tuition assistance policy, all courses must be taken at a regionally or nationally accredited educational institution that is Title IV approved.

Schools listed on the tuition assistance website have been determined by the Department of Education to be accredited and are eligible for your program.
