

COVID-19 Vaccine Capacity Calculator Education

Trinity Health System COVID 19 Response Team

Mike Englehart
Bilal Hassan

January 11, 2021

Agenda

- Reflection
- Introduction
- Review of Calculator
- Q&A

Reflection

Introduction

- We anticipate the need for capacity to grow exponentially over the next month.
- Not meant to replace REDcap data
- Quick way to estimate projected vaccine administration capacity
- Not a precise staffing tool
- Expected to be used as a tool on an ongoing basis

Capacity Calculator Review

COVID-19 Vaccine Capacity Calculator Education

- Calculator to be completed for actual from week of 1/4/21 and forecast through the week of 2/1.
- The link is in the vaccine guidebook, and the standard incident command communications.
- Submit your plan to the Trinity Health Incident command mailbox (IncidentCommand@trinity-health.org) by 12pm EST on Wednesday, 1/13/21.
- Submit questions to the Trinity Health Incident Command Mailbox. (IncidentCommand@trinity-health.org)
