**Audience:** Colleagues, social media followers, general public

**Revision Date:** 03/24/2020

**Version:** Final (adaptable)

### Social Media Posts For Personal Protective Equipment (PPE) Donation Requests

*Note: Link all posts to your COVID-19 information page once it is updated with an anchor link for Support listed under Quick Links. This will ensure followers and visitors see the established Ministry guidelines for accepting donations of PPE. To ensure a direct link to the appropriate section on the COVID-19 page, check in with your ministry's web manager to obtain the direct URL, including the correct "anchor."*

- As the nation faces a critical shortage of Personal Protective Equipment (PPE), [RHM NAME] is asking local and regional businesses for donations of items including [INSERT NEEDS, for instance, face masks of all kinds, disposable gowns and gloves, swabs and viral transport tubes, hand sanitizer, ##% Isopropyl alcohol, etc.]. At this time, [RHM NICKNAME] can only accept donations of [opened/unopened/traditionally manufactured] packages of PPE and hygiene supplies. To learn more about donating, read our guidelines, call [FOUNDATION PHONE NUMBER] or email us at [FOUNDATION EMAIL]. No donation is too small.
- To help address the widespread shortage of Personal Protective Equipment (PPE) created by the COVID-19 health emergency, [Ministry Name] is accepting donations of PPE supplies. Learn more about our donation guidelines on our COVID-19 information page. No donation is too small.
