Vendors with essential business:

- If you feel sick, do NOT visit any Trinity Health office, ambulatory, acute care or senior living facility.
- If you have symptoms consistent with COVID-19 (fever, cough, or difficulty breathing), AND have had contact with a confirmed case of COVID-19 OR traveled to a location which has widespread COVID-19, please don't enter our facility. Instead, contact your employer and your medical provider immediately.
- While on our campus, keep your distance (6 feet or more) from people who are sick.

Thank you for your cooperation.
