## System Office COVID-19 Vaccinations in Michigan

**Audience:** System Office Colleagues

**Revision Date:** 2/18/21

**Version:** #2

**COVID-19 Response Team Owner:** Planning

**Date of Last Review:** 2/18/21

### Complete form for COVID-19 vaccine appointment in Michigan

System Office colleagues in Michigan should complete [this form](#) to request a COVID-19 vaccine appointment at St. Joe or Mercy Health. It may take up to several weeks before you are contacted by email, as vaccine supplies are very limited. Scheduling is currently by appointment only to protect the very limited slots needed to vaccinate identified groups, for both first and second doses. In the meantime, please keep open all alternatives to receive the vaccine through [your local health department](#).

System Office colleagues who live in other states should continue to follow [this guidance](#). Over the last several weeks, thousands of System Office colleagues have been vaccinated at Trinity Health vaccine clinics in Michigan and across the country, as supplies have been received.
