Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	Tier 1: \$1,750 per member; \$3,500 per family; Tier 2: \$2,750 per member; \$5,500 per family (One family member may meet the full family deductible)	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. <u>Preventive care</u> services (Tier 1 and Tier 2 only) are covered before you meet your <u>deductible</u> .	This plan covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this plan covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other <u>deductibles</u> for specific services?	No	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this plan ?	Tier 1: \$3,100 per member; \$6,200 per family Tier 2: \$5,500 per member; \$11,000 per family (For family coverage, the noted per member out-of-pocket limits do not apply. Instead, the out-of-pocket limit for any single member is \$8,500. Additionally, all members on the contract can contribute to the family out of pocket maximum.)	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	<u>Premiums</u> , balance-billed charges, penalties for failure to obtain <u>pre-authorization</u> for services and healthcare the plan does not cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.aetna.com or call 1-800-544-5108 for a list of network providers.	You pay the least if you use a <u>provider</u> in Tier 1. You pay more if you use a <u>provider</u> in Tier 2. You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your plan pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to	No	You can see the <u>specialist</u> you choose without a <u>referral</u> .
