- 2) making final determinations regarding eligibility for coverage.

The Claims Evaluator does not insure the Plan.

Employer Role: *What is the role of the Employer in the Claims process?*

The Employer is responsible for making payment for benefits due according to the terms and conditions of The Plan.

Claim Forms: *Are special forms required to file a claim?*

Proof of Loss is typically provided by telephone; however, if forms are required, they will be sent to You for providing Proof of Loss within 15 days after the Claims Evaluator receives a notice of claim. If the Claims Evaluator does not send the

You will not be required to claim any retirement benefits which You may only get on a reduced basis. All proof submitted must be satisfactory to the Claims Evaluator.

Additional Proof of Loss: *What additional proof of loss is the Claims Evaluator entitled to?*

To assist the Claims Evaluator in determining if You are Disabled, or to determine if You meet any other term or condition of The Plan, the Claims Evaluator has the right to require You to:

- 1) meet and interview with the Claims Evaluator; and
- 2) be examined by a Physician, vocational expert, functional expert, or other medical or vocational professional of the Claims Evaluator's choice.

Your Additional Proof of Loss must be satisfactory to the Claims Evaluator. Unless the Claims Evaluator determines You have a valid reason for refusal, the Claims Evaluator may deny, suspend or terminate Your benefits if You refuse to be examined or meet to be interviewed by the Claims Evaluator.

Sending Proof of Loss: *When must proof of Loss be given?*

Written Proof of Loss must be sent to the Claims Evaluator within 90 day(s) after the start of the period for which the Claims Evaluator is liable for payment. If proof is not given by the time it is due, it will not affect the claim if:

- 1) it was not possible to give proof within the required time; and
- 2) proof is given as soon as possible; but
- 3) not later than 1 year after it is due, unless You are not legally competent.

The Claims Evaluator may request Proof of Loss throughout Your Disability. In such cases, the Claims Evaluator must receive the proof within 30 day(s) of the request.

Claim Payment: *When are benefit payments issued?*

When the Claims Evaluator determines that You:

- 1) are Disabled; and
- 2) eligible to receive benefits;

accrued benefits will be paid in accordance with the Employer's payment schedule. If any payment is due after a claim is terminated, it will be paid as soon as Proof of Loss satisfactory to the Claims Evaluator is received.

Claims to be Paid: *To whom will benefits for my claim be paid?*

All payments are payable to You. Any payments owed at Your death may be paid to Your estate. If any payment is owed to:

- 1) Your estate;

- 2) a person who is a minor; or
- 3) a person who is not legally competent;

then the Employer may pay up to \$5,000 to a person who is Related to You and who, at the Employer's sole discretion, is entitled to it. Any such payment shall fulfill the Employer's responsibility for the amount paid.

- 2) may request copies of all documents, records, and other information relevant to Your claim; and
- 3) may submit written comments, documents, records and other information relating to Your claim.

The Claims Evaluator will respond to You in writing with the final decision on the claim.

Subrogation, Reimbursement and Recovery: *What are The Plan's subrogation, reimbursement and recovery rights?*

If You:

- 1) suffer a Disability because of the act or omission of a Third Party; and
- 2) become entitled to and are paid benefits under The Plan in compensation for lost wages;

If You do not initiate legal action for the recovery of such benefits from the Third Party in a reasonable period of time; The Plan will be subrogated to any rights You may have against the Third Party and may, at its option, bring legal action against the Third Party to recover any payments made by The Plan in connection with the Disability.

The Plan also reserves the right to reimbursement upon Your receipt of a settlement, judgment, or award. The Plan shall be reimbursed from the first monies recovered as the result of judgment, settlement or otherwise. This right includes The Plan's right to receive reimbursement from uninsured or underinsured motorist coverage and no-fault coverage.

By accepting benefits from The Plan, You automatically assign to it any rights You may have to recover benefits from any Third Party, including an insurer or another short term disability plan or program. This includes a right to recover from amounts You received from Workers' Compensation, whether by judgment or settlement or otherwise, where The Plan has paid benefits prior to a determination that the claim for lost wages arose out of and in the course of employment. In addition, by accepting Plan benefits, You acknowledge Your obligation to (1) help The Plan to recover benefits it has paid out on Your behalf, and (2) provide The Plan with information concerning any insurance, plan or program which may be obligated to pay benefits on Your behalf. You are required to cooperate fully in The Plan's exercise of its rights to subrogation, reimbursement and recovery and You cannot do anything to prejudice those rights. Such cooperation is required as a condition of receiving benefits under The Plan. The Plan may refuse to pay benefits, or cease to pay benefits, to You or on Your behalf if You fail to sign any document deemed by the Plan Administrator to be relevant to protecting the Plan's subrogation, reimbursement and recovery rights or You fail to provide relevant information when requested.

Whether You or The Plan makes a claim directly against any party for the benefit payments made to You or on your behalf by The Plan, The Plan has a lien on any amount You recover or could recover from the party whether by judgment, settlement, or otherwise, and whether or not designated as payment for lost wages. This lien shall remain in effect until The Plan and releases its lien. The lien may not be for an amount greater than the amount of benefits paid under The Plan.

The Plan Administrator has discretionary authority with regard to asserting The Plan's subrogation, reimbursement and recovery rights.

Third Party as used in this provision means any person or legal entity whose act or omission, in full or in part, causes You to suffer a Disability for which benefits are paid or payable under The Plan.

Legal Actions: *When can legal action be taken to recover benefits from The Plan?*

No action at law or in equity shall be brought to recover benefits from The Plan:

- 1) sooner than 90 days after all information with respect to a claim for benefits has been filed and the appeal process has been completed in accordance with the requirements of The Plan; or
- 2) more than 3 years from the date Proof of Loss is required to be furnished according to the terms of The Plan.

Misstatements and Fraud: *What happens in the event of misstatements and/or fraud?*

If material facts about You were not stated accurately, the true facts will be used to determine if, and for what amount, coverage should have been in force. If, for the purpose of obtaining or continuing to obtain benefits under The Plan, You or anyone acting on Your behalf makes, or causes to be made, a false statement or misrepresentation, conceals or withholds information, commits fraud against The Plan, or otherwise misleads The Plan, The Plan shall be entitled to recover its damages, including benefits paid and legal fees, from You or from any other person responsible for misleading or committing fraud against The Plan. The Plan will assert all legal and equitable rights against You and/or any other person responsible for misleading or committing fraud against The Plan and pursue all legal and equitable remedies The Plan has against You and/or any other person responsible for misleading or committing fraud against The Plan.

Overpayment Recovery: *What happens in the event of an overpayment?*

Whenever payments have been made from The Plan to You (or on Your behalf) in excess of the benefits to which You (or a person Related to You) are entitled under The Plan, including an overpayment due to (i) a false or misleading statement, misrepresentation, concealment or withholding of information, or fraud by You or anyone acting on Your behalf, (ii) a claims processing error, or (iii) Your receipt of Other Income Benefits (including retroactive awards received from sources listed in the Other Income Benefits definition), You, Your estate, a person Related to You, or any other person to whom benefits are paid on Your behalf will be required to reimburse The Plan in an amount equal to the excess payments. The Plan Sponsor or Claims Evaluator will determine the method by which the repayment is to be made. It may be possible to reduce or eliminate future payments instead of requiring repayment. Further, if the initial attempts to recover an overpayment are not successful, the overpayment amount will be withheld from Your wages or other compensation, to the extent permitted by applicable law. In addition, the Plan (or the Claims Evaluator or Plan Sponsor on behalf of The Plan), will have the right to recover the excess payments by an action at law or equity.

Assignment and Transfer: *May Plan benefits be assigned or transferred?*

No assignment of benefits shall be binding on The Plan. Except as otherwise provided herein, no person other than an Eligible Person is entitled to receive benefits under the Plan. Such right to benefits is not transferable.

Incapacity and Lost Participants: *What happens if a person entitled to a Plan benefit is incapacitated or lost?*

If, in the opinion of the Plan Administrator, an individual for whom a claim has been made is incapable of furnishing a valid receipt of payment due him/her under The Plan and, in the absence of written evidence to The Plan of the qualification of a guardian or personal representative for the individual's estate, the Plan Administrator may, on behalf of The Plan, in its sole discretion, make any and all such payments to the person providing for the care and support of such individual. Any payment so made will constitute a complete discharge of The Plan's obligation to the extent of such payment.

Any benefit payable hereunder shall be deemed forfeited if the Plan Administrator is unable to locate an individual to whom payment is due, provided, however, that such benefit shall be reinstated if a claim is made by the individual for the forfeited benefit within one (1) year.

Plan Interpretation: *Who interprets the terms and conditions of The Plan?*

The Employer has full discretion and authority to determine eligibility for benefits and to construe and interpret all terms and provisions of The Plan.
